Kills household germs. Effective against Staphylococcus aureus [Staph], Streptococcus pyogenes [Strep], *Influenza Type A/Brazil [Influenza], Trichophyton mentagrophytes. As a disinfectant, this product kills *Rotavirus and Escherichia coli [E. coli].

Use Spic and Span Everyday® Antibacterial Cleaner Fresh Citrus Scent in kitchens and bathrooms. Use this product on washable hard, nonporous surfaces of sinks, tubs and appliance exteriors.

DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO CLEAN AND DEODORIZE: Apply undiluted to surfaces with a cloth, mop, sponge or spray. Wipe or allow to air dry.

DISINFECTION / *VIRUCIDAL / FUNGICIDAL / MOLD & MILDEW CONTROL DIRECTIONS: Spray 6-8 inches from hard, nonporous surface, until surfaces are thoroughly wet. Do not breathe spray. Treated surfaces must remain wet for 10 minutes. Wipe dry with a clean cloth, sponge, or mop or allow to air dry. For heavily soiled areas, pre-cleaning is required. Rinse all surfaces that come in contact with food such as countertops, appliances, tables and stovetops with potable water before reuse. Do not use on utensils, glassware and dishes.

FOR FUNGICIDAL ACTIVITY: This product is an effective one-step fungicide against Trichophyton mentagrophytes when used on hard nonporous surfaces in areas such as locker rooms, dressing rooms, shower and bath areas and exercise facilities. Allow surface to remain wet for 10 minutes.

FOR MOLD AND MILDEW: Repeat treatment every 7 days or more often if new growth appears.

PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the container or label with you when calling a poison control center or doctor, or going for treatment. Emergency number 1-866-366-5048.

STORAGE AND DISPOSAL: Store in original container in areas inaccessible to children. Nonrefillable container. Do not reuse or refill this container. Wrap and put in trash or offer for recycling if available.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO CLEAN AND DEODORIZE: Apply undiluted to surfaces with a cloth, mop, sponge or sprayer. Wipe or allow to air dry. DISINFECTION / VIRUCIDAL*/ FUNGICIDAL / MOLD & MILDEW CONTROL DIRECTIONS: Apply this product undiluted to hard, nonporous surfaces, thoroughly wetting the surfaces with a cloth, mop, sponge, sprayer, or by immersion. Treated surfaces must remain wet for 10 minutes. Wipe dry with a cloth, sponge or mop or allow to air dry. For heavily soiled areas, a preliminary cleaning is required. For sprayer applications, use a coarse spray device. Spray 6-8 inches from surface; rub with brush, sponge, or cloth. Avoid breathing spray. Rinse all surfaces that come in contact with food such as countertops, appliances, tables and stovetops with potable water before reuse. Do not use on utensils, glassware and dishes. For fungicidal activity: This product is an effective one-step fungicide against Trichophyton mentagrophytes when used on hard, nonporous surfaces in areas such as locker rooms, dressing rooms, shower and bath areas and exercise facilities. Allow surfaces to remain wet for 10 minutes. For mold and mildew: Repeat treatment every 7 days or more often if new growth appears.

FOR USE ON FINISHED FLOORS: Apply with a damp mop or auto scrubber. Allow surface to remain wet for 10 minutes. Wipe or allow to air dry.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center (1-866-366-5048) or doctor for treatment advice. Have the container or label with you when calling a poison control center or doctor, or going for treatment.

STORAGE AND DISPOSAL Store in original container in areas inaccessible to children. Nonrefillable container. Do not reuse or refill this container. Wrap and put in trash or offer for recycling if available.
