When your dog needs fast results, choose Mad About Organics Flea & Tick Repellent Shampoo. Our completely safe, nontoxic shampoo is made from the highest quality organic ingredients. Mad About Organics Flea & Tick Repellent Shampoo is pH balanced, so you can be used as often as needed and will not wash off spot on treatments.

**Directions:** (Shake Well Before Use) (For dogs with water repellent fur, make a soapy solution first with 14oz of water to 2oz of shampoo and apply directly instead of wetting them down first). Dilute up to 20:1 for faster rinse, or can be used full strength. Apply the shampoo and thoroughly massage into the coat to help suffocate the fleas or ticks. Start at the head and tail and work inward until the coat is completely covered with lather. Rinse thoroughly and towel dry. Repeat the process as often as needed.

For your pet's complete care, follow-up with our Insect Repellent Herbal Wipe-on Oil or Insect Repellent Herbal Spray. These products help camouflage your dog's scent from such insects like (Fleas, Ticks, Bees, Wasps, Mosquitoes & Ants), keeping them off in the first place.

**Organic Ingredient List:** **Active:** (Citronella oil .006%, Lemongrass oil .006%, Peppermint oil .002%, Clove oil .002%, Cedarwood oil .002%, Geranium oil .0014, Rosemary oil .0006, Garlic oil .00002%) = .02002%

**Inert:** (Filtered Spring Water, Vegetable Glycerin, Canola Oil, Cocoa Butter, Shea Butter, Hemp Seed Oil, Infused Olive Oil (Basil, Celery Seed, Coconut, and Yarrow) Citric Acid and Lecithin) = 99.9798%

**Caution for Humans and Pets:** Keep out of reach of children, do not use on puppies under the age of 4 weeks. For external use only, avoid getting in eye, mouth and nose. This product is safe, when used as directed. In case of accidental contact, rinse thoroughly with water. If any reaction occurs, stop use and consult with your veterinarian or doctor. Rinse hands thoroughly before eating or drinking. Do not use on cats.
