Our completely safe, nontoxic shampoo is made from the highest quality organic ingredients. Can be used as often as needed and will not wash off on treatments.

**Directions:** (Shake Well Before Use) (Make a soapy solution first with 14oz of water to 2oz of shampoo and apply directly instead of wetting them down first).

Dilute up to 20:1 for faster rinse, or can be used full strength. Apply the shampoo and thoroughly massage into the coat to help suffocate the fleas or ticks. Start at the head and tail and work inward until the coat is completely covered with lather. Rinse thoroughly and towel dry. Repeat the process as often as needed.

For your pet's complete care, follow-up with our Insect Repellent Herbal Wipe-on Oil or Insect Repellent Herbal Spray. These products help camouflage your pet's scent from insects like (Fleas, Ticks, Bees, Wasps, Mosquitoes & Ants), and allow them to enjoy the outdoors in peace and not bring the insects back into your home.
