---

**THIS PAGE PRINTS AT 100% REDUCTION OF THE ORIGINAL LABEL TO FIT ON 11” x 17” PAGE**
**WHAT IT DOES:**
Kills bed bugs at all life stages (including eggs).
Also kills Fleas, Ticks and other listed insects.

**Use with confidence indoors as a spot and crack and crevice treatment where you see evidence of bed bugs, and around their preferred hiding places: bed frames, mattress seams/tufts/folds, baseboards, and other cracks and crevices near sleeping areas.**

**WHERE TO USE:**
Use when there is evidence of bed bug activity.

**WHEN TO USE:**

1. DETECT & TRAP

2. ROOM TREATMENT
   - SPRAY BED BUGS IN THEIR HIDING SPOTS

3. CRACKS & CREVICES

**PRIMEROS AUXILIOS Si se ingiere:**
- Llame a un control de envenenamientos o a un médico inmediatamente para recibir instrucciones de tratamiento.
- Que la persona beba un vaso de agua si puede tragarse.
- No induzca el vómito, a menos que así se lo indique el control de envenenamientos o un médico.

**ADVERTENCIA:** En la medida contemplada por las leyes aplicables, el comprador asume todos los riesgos derivados del uso, el almacenamiento o el manejo de este producto si no se siguen las instrucciones.

**RESERABLE LABEL FOR DIRECTIONS & PRECAUTIONS**

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS
- Do not apply to bed linens or surfaces that will be in direct contact with occupants of the bed.
- Do not apply to stuffed animals or toys.
- Do not apply as a broadcast surface spray.
- Not intended for commercial applications.
- Do not allow people or pets to re-enter the treated area until after spray has dried.
- Not for use on humans or animals.

KILLS
Bed Bugs (all life stages), Fleas (Cat and Dog), Ticks, Lice, Ants (Argentine, Carpenter, Foraging Fire Ants, Pavement, Pharaoh/Sugar, Pyramid, Red/Western Harvester), Beetsles (Billbugs, Carpet, Elm Leaf, Flea, Japanese (adults), Lady Beetles (including Asian Lady Beetle Eggs), Sp), Cockroaches (American/Palmetto Bug/Waterbug, Asian, Oriental, German) and Spiders (Black Widow, Brown Recluse, Hobo, Wolf).

BEFORE YOU APPLY:
- Cover or Remove Exposed Food (Including Pet Food)
- Cover All Food Processing Surfaces and Utensils
- Remove all items from pantry and clean pantry thoroughly
- Shake Well

WHERE TO APPLY:
Indoor Surfaces, Pantries, around baseboards, floorboards, walls, bed frame, mattress (tufts, seams, edges, and vent holes) and box spring and any other joint, behind pictures/wall hangings, along and underneath carpet edges, and other articles/furniture in the bedroom or sleeping area, floors/floor coverings (rugs, carpet, tile, vinyl & wood), luggage.

WHEN TO APPLY:
- When there is evidence of bed bug or insect activity.

HOW TO APPLY:
To treat bed bugs and bed bug eggs: Spray bed bugs and their eggs. Treat for hidden bugs and eggs by applying as a spot treatment to cracks and crevices in the sleeping area in places such as baseboards, crown molding, behind pictures/wall hangings, along and underneath carpet edges, and other articles/furniture in the bedroom or sleeping areas where bed bugs may be hidden.

To locate hidden bed bugs, disassemble the bed frame and remove bedding. Do not apply product directly to bedding. Apply this product to the bed frame, mattress (tufts, seams, edges, and vent holes), box springs, and other joints where bed bugs are harboring. Do not saturate or treat the entire surface of the mattress or box spring. Allow the spray to dry before using the mattress and/or box spring.

Do not apply to stuffed animals or toys.

Continue to inspect treated areas and repeat applications every 2 weeks, while bed bugs and their eggs are present.

For persistent bed bug activity, consult a pest management professional.

When treating luggage: Remove the contents and spray bed bugs and their eggs. Also spray areas that may hide them by focusing on the corners, pockets, and seams. Allow luggage to dry before reuse.

Fleas and Ticks (Including ticks that may transmit Lyme Disease)
Do not apply to stuffed animals or toys.

Pet resting quarters may be treated with this product when animals are not present.

How to Apply: For best results, contact as many pests as possible. Spray around beds, furniture and pet’s habitat. Spray pet sleeping quarters, bedding, floor and floor covering where pets are kept. Spot treat infested areas such as pet resting quarters and localized areas of floor coverings (rugs, carpet, tile, vinyl & wood) where pets may be present. Old pet bedding should be removed and replaced with clean, fresh bedding after treatment of pet area. To control the source of flea infestation, pets inhabiting the treated premises should themselves be treated with a product registered for application to animals.

CONTENTS:
- Bed Bug and Flea Killer 24 oz. (1 bottle)

BENEFITS:
- Kills bed bugs, fleas, and ticks
- Safe for use around children and pets
- Suitable for use in bedrooms, pantries, and kitchens

**THIS PAGE PRINTS AT 100% REDUCTION OF THE ORIGINAL LABEL TO FIT ON 11" x 17" PAGE**
**CÓMO APLICARLO:**

Para tratar las chinches y sus huevos: Rocíe las chinches y sus huevos. Trate los insectos y los huevos ocultos aplicando el producto como un tratamiento focalizado en las grietas y hendiduras de los dormitorios, en lugares tales como frisos, molduras de techo, detrás de cuadros y tapices, a lo largo y debajo del borde de alfombras, y otros objetos/muebles de recámaras o dormitorios donde las chinches pudieran esconderse.

Para localizar las chinches escondidas, desarme el marco y retire la ropa de cama. No aplique el producto directamente a la ropa de cama. Aplique este producto al marco de la cama, el colchón (el bodoque, las costuras, los bordes y los orificios de ventilación), el somier y otras junturas donde las chinches se estén refugiando. No empape ni trate la superficie entera del colchón o el somier. Permita que el rociado se seque antes de usar el colchón o el somier. No lo aplique a animales de peluche ni a juguetes.

Para la actividad de chinches persistente, consulte con un profesional de control de plagas.

**CUANDO APLICARLO:**

- Cuando haya indicios de la actividad de chinches o insectos.

**DÓNDE APLICARLO:**

1. Gire la boquilla del rociador hasta la posición deseada del patrón de roció.
2. Apriete el gatillo de manera repetida para rociar.
3. Rocíe hasta humedecer ligeramente, sin empapar.

**DESPUÉS DE APLICARLO:**

- No permita que las personas y las mascotas ingresen al área tratada hasta que el rociado se haya secado.
- Lave bien con agua y jabón todas las superficies y los utensilios para el procesamiento de alimentos antes de volver a usarlos.

**INSTRUCCIONES DEL ROCIADOR DE GATILLO**
