WHAT IT DOES: WHERE TO USE: WHEN TO USE:

Kills unwanted weeds, grasses & plants.
On driveways, sidewalks, fence lines, paver patios, walkways, gravel areas, rock and desert landscapes, under decks, parking areas, and along fences and curbs. Uplanted areas where no weeds are desired.

Rainproof in 1 hour

Fast acting formula starts working immediately

Prevents weeds and vegetation for up to 1 year

Apply when weeds are actively growing. For best results, apply on a sunny day with temperatures above 60ºF. Apply only to areas where no vegetation growth is wanted for up to 1 year.

Apply where weeds are actively growing. For best results, apply on a sunny day with temperatures above 60ºF. Apply only to areas where no vegetation growth is wanted for up to 1 year.
Restrictions:

• Keep people and pets out of the area during application.
• DO NOT use on lawns, on or around fruits, vegetables, flowers, or over the root zone of shrubs or trees.
• DO NOT use before planting lawns, fruits, vegetables, flowers, or other plants because the product remains active in soil for up to one year. In heavy clay soil, weed control may exceed one year.
• The maximum number of applications is limited to 1 per year (0.9 lb imazapyr acid equivalent and 24.2 lb pelargonic acid per acre per application).

WHERE TO USE:

• Unplanted areas where no vegetation is desired.
• Driveways, sidewalks, fence lines, power poles, walkways, gravel areas, rock and desert landscapes, under decks, parking areas, and along fences and curbs.
• Use on driveways, sidewalks, fence lines, power poles, walkways, gravel areas, rock and desert landscapes, under decks, parking areas, and along fences and curbs.

Restrictions:

• DO NOT enter or allow others to enter treated areas until sprays have dried.
• DO NOT apply this product in a way that will contact any person or pet, either directly or through drift.
• DO NOT apply to the same area more than once per year.
• DO NOT apply to slopes as movement on soil surface may damage desirable plants growing downslope.

WHERE TO APPLY:

• If weeds are taller than 6 inches, mow or cut down and remove debris before treatment.
• Apply to bare ground or when weeds are actively growing.
• Water the day before application if soil is dry.
• Apply to bare ground or when weeds are actively growing.
• If weeds are taller than 6 inches, mow or cut down and remove debris before treatment.
• For best results, apply on a sunny day when temperatures are above 60ºF.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read entire label.

Your Scotts Miracle-Gro Team has thoroughly reviewed the label. Upon receipt, please check the label carefully before use and as a precaution, check all regulations and legal requirements in your area. This label is to be used as a companion or supplement to the product label. This label is not intended to be used as the sole source for the product's labeling and may not be used in the absence of the product's labeling. For more information, please contact Scotts Miracle-Gro, P.O. Box 531, Marysville, OH 43040.

In the event of a discrepancy, the original product label shall control.

Intended Uses

DIRECTIONS FOR USE

WHEN TO APPLY

- Water the day before application if soil is dry.
- Apply to bare ground or when weeds are actively growing.
- If weeds are taller than 6 inches, mow or cut down and remove debris before treatment.
- For best results, apply on a sunny day when temperatures are above 60ºF.
- To prevent the growth of weeds under patios, asphalt driveways, tennis courts, play areas, and parking areas, apply before laying surfacing materials.
- Apply only to areas where no vegetation growth is wanted for up to 1 year.
- If weeds re-grow in treated areas, it is advised that these weeds be spot treated with Ortho® GroundClear® Weed & Grass Killer, EPA Reg. No. 91161-1-239.

Ortho® & Your Environment

Your yard is a place for family and pets to enjoy. That’s why Ortho® products are designed with care to provide effective solutions to weed problems. Follow instructions for appropriate usage, storage and disposal.

STORAGE AND DISPOSAL

PESTICIDE STORAGE:

Applications can be reused with Ortho® GroundClear® Year Long Vegetation Killer refill. Follow instructions in the REFILL.

STORAGE AND DISPOSAL:

CONTAINER DISPOSAL:

NOTICE: This product is toxic to plants. Drift and run-off may be hazardous to plants in water adjacent to treated areas.

ENVIRONMENTAL HAZARDS:

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

CAUTION: To the extent consistent with applicable law, buyer assumes all risks of use, storage or disposal of this product.

ALMACENAMIENTO: Guardar el producto en su envase original y en un lugar seguro. Protéjalo del congelamiento.

INSTRUCCIONES DE USO DE LA VARILLA: Conecte
• Desenrolle la manguera e inserte el conector de manguera en el pico de la tapa de la botella hasta que haga clic.
• Gire la perilla hasta la posición de “ON” (abierto).

INSTRUCCIONES DE RELLENADO: Conecte
• Retire el conector de manguera de la botella original jalándolo del pico de la tapa.
• Para retirar el estuche lateral de la botella original, tire de la lengüeta de abajo y deslice el estuche hacia arriba.

INFORMACIÓN IMPORTANTE SOBRE EL USO: No lo sumerja en agua. Quite las pilas cuando guarde el rociador por periodos prolongados.

AVISO DE PRECAUCIÓN: • Si la tierra está seca, riegue el día previo a la aplicación. • Aplique este producto al suelo despejado o cuando las malezas estén creciendo de manera activa. • Si las malezas tienen más de 15 cm, aplique antes de que crezcan. • Para obtener los mejores resultados, aplique en un día soleado, cuando las temperaturas sean de 60°F (15.5 °C). • Para prevenir el crecimiento de malezas debajo de patios, entradas de automóvil asfaltadas, canchas de tenis, áreas de juego y áreas de estacionamiento, aplique antes de tendidos de materiales de revestimiento. • Aplique únicamente en áreas donde no se dejen que crezca vegetación hasta por 1 año. • Si las malezas vuelven a crecer en las áreas tratadas, se recomienda tratar de forma intrusiva con el Herbicida para malezas y gramas GroundClear® de Ortho®, núm. de registro de la EPA 91161-1-239.

AVISOS DE PRECAUCIÓN: RIESGOS PARA LOS SERES HUMANOS Y LOS ANIMALES DOMÉSTICOS
PRECAUCIÓN: Causa irritación moderada en los ojos. Evite el contacto con los ojos o la ropa. Lávese con abundante agua y jabón después de manipular el producto, y antes de comer, beber, masticar chicle, consumir tabaco o usar el inodoro.

INFORMACIÓN IMPORTANTE SOBRE EL USO: No lo sumerja en agua. Quite las pilas cuando guarde el rociador por periodos prolongados.
