PRECAUTIONARY STATEMENTS

1. This product is hazardous to humans and animals.
2. Keep out of reach of children and pets.
3. Do not use on or around food or water sources.
4. Do not use on or around edible parts of plants or food.
5. Do not apply to or near water bodies.
6. Do not apply this product in or near ponds, lakes, streams, or other bodies of water.
7. Do not allow animals to contact treated areas until surfaces are dry.
8. Do not apply directly to fish or other aquatic organisms.
9. Do not apply this product in or near fish hatcheries.

HOW IT WORKS:
The Bed Bug Trap features a scientifically proven attractant that is guaranteed to lure bed bugs from their hiding places, helping you detect and trap them.

DIRECTIONS FOR USE:
1. Place the trap in an inconspicuous area such as a corner or along a wall where bed bugs are likely to be found.
2. Aim the sprayer at the trap and apply a light spray to the opening of the trap.
3. Allow the trap to sit undisturbed for at least 24 hours.

FIRST AID:
If you come into contact with this product, wash your hands with soap and water. If you feel unwell, seek medical attention immediately.

PESTICIDE STORAGE:
Store in a cool, dry area.

ENVIRONMENTAL HAZARDS:
This product is harmful to beneficial insects and wildlife. Use caution when handling and applying this product.

NOTICE:
Inhalation, ingestion, or dermal contact with this product can cause severe health problems.

IMPORTANT:
Read and follow all instructions and precautions on the label before using this product.

LABELING:
This product is not for sale to minors.

NOTICE:
This product is intended for use only by those 21 years of age or older.

NOTICE:
This product must be used in accordance with all directions, storage or handling of this product not in accordance with directions.

**Ortho Home Defense Bed Bug Trap**

**Product Information:**
- **Active Ingredients:** 3-phenoxybenzyl-(1RS, 3RS, 1RS, 3SR)-2,3-dimethyl-2-(2-methylprop-1-enyl), 3-phenoxybenzyl (1R,3R)-3-phenoxybenzyl
- **Net Weight:** 18 oz (510 g)
- **For Use:** Indoor use in homes, apartments, and residences
- **Non-refillable container:** Do not reuse or refill this container.
- **Storage:** Keep out of reach of children.
- **NOT FOR USE ON HUMANS OR ANIMALS.

**Directions for Use:***
- **Place in trash** or offer for recycling, if available.
- **If Bed Bugs are Present:**
  - **Immediate Response:** Immediately call a poison control center or doctor. Do not attempt to sew up, wash, or dry the mattress or bedding. Do not wash the mattress or bed bedding in hot water. Do not use or store near heat or open flame. Do not puncture or incinerate. Do not use or store near food or pet food.
- **For Indoor Use:**
  - Use only as a spot treatment or crack & crevice application in areas not subject to water or moisture. Not intended for commercial applications.
  - For suspected bed bug infestations, apply the product to cracks and crevices or harborages, where evidence of bed bugs occurs, as well as on the foundation and crawl spaces.
- **Earwigs, Millipedes, Moths, Multicolored Asian Lady Beetles, Silverfish,** and **recluse and black widow**
  - **Stink Bugs, Boxelder Bugs, Dust Mites, Crickets,** and **other pests**
  - **Apply to** cracks and crevices where evidence of bed bugs occurs. This includes bed frames, box springs, inside empty dressers, furniture, and clothes closets.
- **Apply in:*
  - Living areas: make applications in such a manner as to avoid deposits on exposed surfaces or introducing the material into areas not subject to water or moisture.
  - Bedrooms: apply thoroughly and uniformly to the foundation and crawl spaces where pests are active and may find entrance.
  - Bathrooms and kitchens: apply to cracks and crevices where evidence of bed bugs occurs.
- **Caution:**
  - It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
- **Additional Precautions:**
  - Immediate call a poison control center or doctor. Do not use or store near heat or open flame. Do not puncture or incinerate. Do not use or store near food or pet food.

**Danger:**
- It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**Important Notes:***
- **First Aid:** Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-225-2883 for general information and medical information.
- **Storage:** Keep out of reach of children. Store away from food and pet food.
- **Environment:** Do not apply this product around electrical equipment due to the possibility of shock hazard.
- **Non-refillable container:** Do not reuse or refill this container.

**Notice:**
- **Omission of labeling:** The omission of any statement, precautionary statement, or other warning does not mean it is not necessary or that the omission is not intended to avoid repetition.
- **Disregard of labeling:** The disregard of any statement, precautionary statement, or other warning may mean a violation of Federal Law.
**Ortho® Home Defense®**

**Bed Bugs**

EPA Est. No. 538-CA-001

**USE RESTRICTIONS:** This product is not for use on humans or animals; keep. Use only a recommended pet spray on pets. 

**spray surfaces until damp.**

Spray around beds, furniture and pet's habitat. Spray pet bedding.

**How to Use:**

1. **To kill bed bugs and bed bug eggs:**
   - Use only as a spot treatment or crack & crevice application in residences. Spray in an inconspicuous area to test for the unlikely possibility of inconsistent with its labeling. Not for use in commercial food/feed handling establishments, restaurants or other establishments where food/feed is commercially prepared, processed or served.

2. **How it Works:**
   - Trap features a scientifically proven attractant that is guaranteed to lure bed bugs from their hiding places, helping you detect and trap them.
   - Bed bugs aren't only found on your bed. In fact, they love to hide. If you can fit a credit card into a crack, they could be hiding there.

   **• If bed bugs are present, snap the station closed**
   - **• Attach glue card to the bottom of the trap.**

3. **Physical or Chemical Hazards:**
   - WARNING! Non-refillable container. Do not reuse or refill this container.
   - STORE in a cool dry area. Always store pesticides in the original container. Store away from food and pet food.

4. **First Aid:**
   - **IF NO BED BUGS ARE DETECTED AFTER 2 WEEKS:**
   - **Easy to Use**
   - **Detect Bed Bug Problems Early**

5. **Other Ingredients:**
   - Cyclopropanecarboxylate ........................................ 0.05%
   - Deltamethrin (S)-alpha-cyano-2-dimethyl-3-(2-methylprop-1-enyl).......................... 0.05%
   - MGK® 264, Insecticide Synergist

6. **Directions for Use, Precautions, and Disclaimer of Warranties:**
   - Read the entire Directions for Use, Precautions and Disclaimer of Warranties before using this product. This product is a pest control product (including health concerns, medical emergencies, or pesticide pesticides) and should be covered or removed. Remove pets, birds and cover fish aquariums before remaking bed. Remove all clothes and other articles from dressers or closets before application. For luggage, be sure to spray seams and pockets. Allow all treated areas to dry thoroughly before use.

7. **Kills on:**
   - In living areas, make applications in such a manner as to avoid deposits on exposed surfaces or introducing the material into the household. There is no need to wash or treat exposed surfaces before spraying. The material is designed to reach bed bugs in cracks and crevices where they are most likely to hide. Remove and discard any papers, dust, feathers, and other organic debris that may be present in the area to be treated. This product can be used for long-lasting pest control in homes.

8. **Other:**
   - KILLS BED BUG
   - KILLS ON

9. **Storage:**
   - Do not contaminate water, food, or feed by storage and disposal.

10. **Precautionary Statements:**
    - **HARMFUL if swallowed.** Wash hands thoroughly with soap and water after handling pesticide product (including health concerns, medical emergencies, or pesticide pesticides) or a doctor.
    - **HOTLINE NUMBER:**
    - **12**
    - **18**

11. **To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not used in accordance with directions.**

12. **Other:**
    - **Do not submerge in water.** When storing sprayer for long periods, remove batteries.
    - **Shake well before each use**
