** (butyl carbityl) (6-propylpiperonyl) ether and related compounds.

Directions for Use
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS
• THIS PRODUCT IS FOR INDOOR USE ONLY.
• This product is ONLY for use on dogs and puppies (over 12 weeks of age).

Wet dog's coat thoroughly. Pour this product into the cup of your hand. Starting at the head and working back, work up a lather with this quick lathering formula, being sure that the lather is worked thoroughly into dog's coat down to the skin. Allow lather to stand 5 minutes, then rinse completely and towel dry. It should not be necessary to repeat the shampoo application unless the animal is excessively dirty. Kills fleas fast and begins to kill ticks within 1 or 2 days, reaching maximum effectiveness in 7 to 10 days. To maintain maximum effectiveness against both fleas and ticks, repeat (or reapply) every week. Cats that actively groom or engage in close physical contact with treated dog may be at risk of serious harmful effect.

Storage and Disposal

PESTICIDE STORAGE:
Store only in original container in a cool, dry area inaccessible to children and pets.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:
Nonrefillable container. Do not reuse or refill this container.

First Aid

IF ON SKIN OR CLOTHING:
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for 15-20 minutes.
• Call a poison control center or doctor for treatment advice.

IF IN EYES:
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a poison control center or doctor for treatment advice.

Hot Line Number
Have the product container or label with you when calling a poison control center or veterinarian. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-224-7387.
