Strong rays and pesky mosquitos are no match for this powerfully protective duo. Bring on the fun in the sun.

First Aid: If in Eyes: Rinse with water for several minutes. If Skin Irritation Occurs: Wash with plenty of soap and water. If Skin Sensitivity Occurs: Stop Use and ask a doctor.
Directions for Use: Shake well before each use. Hold can 4 to 6 inches away from skin. Apply just enough product to evenly cover exposed skin. Do not apply on or near eyes or mouth. Avoid applying product on cuts, wounds, or irritated skin. Do not allow children to handle this product. When applying on children, apply to your hands and apply on child, being careful to avoid eyes, mouth, and hands. Remember to reapply after swimming, bathing, and wash clothes with soap and water.

In case of a spill, keep in a cool, safe place inaccessible to children and pets. Do not dispose of in fire. Support recycling efforts – check local recycling practices or contact your townpeople. Contents under pressure. Store at temperatures below 120ºF (49ºC). Avoid long-term storage above 104ºF (40ºC).

Precautionary Statements

CAUTION: Only for external use. Do not use on cats or dogs less than 12 months of age. Avoid contact with eyes and mouth. Wash treated skin with soap and water if exposure occurs. Consult a physician for emergency medical treatment. Keep out of reach of children.
