**EasyDefense Flea & Tick Yard Spray**

- **Active Ingredients:**
  - Eugenol: 5%
  - Cedarwood Oil: 1%
  - Inert ingredients: 94%
  - Water, Sodium Ricinoleate, Isopropyl Alcohol, Potassium Sorbate

- **Total:** 100%

**Caution:**
- Keep Out of Reach of Children
- Eugenol is derived from clove oil

**Powerful Concentrate for Outdoor Use:**
- Covers up to 5,000 sq. ft.
- Eliminates pests by contact and continues to actively repel for up to 2 weeks.

**Instructions for Use:**
1. Shake container well before using.
2. With sprayer turned to the OFF position, connect garden hose.
3. Turn water on. Extend the hose to the farthest area to be treated and work backwards.
4. To begin, point nozzle toward the treatment area and turn the dial to CLEAN. Water will automatically mix with the product.
5. Walk at a steady pace, working backwards while spraying. Use an even sweeping motion, slightly overlapping treated area.
6. Spray until the treated area is wet.
7. When finished, turn the knob to RINSE for 3 to 5 sec to clean the sprayer.
8. Store unused product in the original container in a cool dry place.
