HOW TO USE TRIGGER SPRAYER:
1. Peel sticker from flip top cap and open cap
2. Remove sprayer from it’s slot beneath the handle and pull hose tip to completely extend tubing.
3. Firmly press hose tip into opening in cap until it snaps into place
4. Hold sprayer below level of bottle and pump trigger several times until product can be dispensed
5. Adjust nozzle to desired setting.

AFTER USE:
6. When storing bottle turn sprayer nozzle off
7. Do not attempt to disconnect hose
8. Snap sprayer back into the slot beneath the handle
• NOT FOR AQUATIC USE

Storage and Disposal:
Store in a dry place. Do not store near food or feed. Do not reuse or refill container. Once empty, place in trash or offer for recycling if available.
