HAZARDS TO DOMESTIC ANIMALS. • Do not apply to eyes. • Do not reapply for 4 weeks. • Do not use on kittens under 8 weeks of age. • Do not use on animals under 1 lb (0.45 kg). • Do not use on puppies or kittens, or cats, dogs, or other animals. • Do not treat your cat with more than one pesticide product at a time. Overdosage can result in serious illness and even death. Consult a veterinarian before repeating application. The most common signs of overdose are excessive salivation and foaming at the mouth. If these or other side effects occur, consult your veterinarian or call 1-877-416-7330. If your cat has an unusual reaction to the initial application, bathe your cat with a mild soap and rinse with large amounts of water. If signs of sensitivity occur, consult your veterinarian or call 1-877-416-7330. If partly filled:
