DO NOT pre-dissolve or add water to this product. Always apply AGENT. Do not mix with other chemicals or any other substance. PHYSICAL OR CHEMICAL HAZARDS: CONTAINS OXIDIZING agents. Remove and wash contaminated clothing before reuse. Before eating, drinking, chewing gum, using tobacco or using the product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the product. Skin contact may cause allergic reactions in some individuals. Wear eyes, on skin, or on clothing. Prolonged and frequently repeated absorption through the skin. Causes skin irritation. Do not get in eyes, on skin, on or in contact with aquatic organisms. This pesticide is toxic to fish and aquatic organisms. NOTE: User assumes all responsibility for use not in accordance with directions.

PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS: DANGER: Corrosive. Causes irreversible eye damage. Harmful if swallowed or absorbed through the skin. Causes skin irritation. Do not get in eyes, on skin, or on clothing. Prolonged and frequently repeated skin contact may cause allergic reactions in some individuals. Wear safety glasses or goggles and rubber gloves when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the product. Necessitates or results in contamination of clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS: CONTAINS OXIDIZING AGENT. Do not mix with other chemicals or any other substance. DO NOT pre-dissolve or add water to this product. Always apply directly into the pool. Contamination of this product with small amounts of water or other substances may start a chemical reaction and generate heat, hazardous gas, possible fire and explosion. In case of contamination or decomposition, do not receive bag, isolate bag in open air or well-ventilated area. Flood bag and area with large volumes of water. In case of spills, scoop up and place product in pool water, then flood spilled area with large volumes of water.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms. NOTE: User assumes all responsibility for use not in accordance with directions.

STORAGE AND DISPOSAL: Keep this product dry in original tightly closed container when not in use. Store in a cool, dry, well-ventilated area away from heat or open flame. If product becomes damp, discard, following instructions for contamination under Physical or Chemical Hazards. CONTAINER DISPOSAL: Non-refillable container. Do not re-use or refill this container. Offer for recycling, if available. Triple rinse container (or equivalent) promptly after emptying.

ACTIVE INGREDIENT:
Trichloro-s-triazinetrione ............... 43.47%
OTHER INGREDIENTS ..................... 56.53%
TOTAL INGREDIENTS .................. 100.00%

NET CONTENTS: 1 LB (453 g)

EMERGENCY, CALL 1-877-800-5553.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. IN CASE OF MEDICAL EMERGENCY, CALL 1-877-800-5553.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. IN CASE OF MEDICAL EMERGENCY, CALL 1-877-800-5553.

FIRST AID: IF IN EYES: Hold eye open and stare deeply and partly with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye for 15 minutes. Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED:
Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call poison control center or doctor, or going for treatment. IN CASE OF MEDICAL EMERGENCY, CALL 1-877-800-5553.

IF SWALLOWED:
Call a poison control center or doctor, or going for treatment. IN CASE OF MEDICAL EMERGENCY, CALL 1-877-800-5553.

DIRECTIONS FOR USE:
SWIMMING POOL SHOCK OXIDIZER

To Shock Water Clear:
• Add 1 lb per 12,000 gallons into the deepest pool area while filter and pump are operating.
• DO NOT pre-dissolve. DO NOT apply through skimmer or chemical feeder. DO NOT mix with other chemicals; a violent reaction may result.

To Close Pool:
• Backwash filter following manufacturer’s directions to prepare your filter for closing.
• Apply this product at a rate of 1 lb per 6,000 gallons into the deepest pool area while filter and pump are operating.
• To prevent damage to pool surface, use an appropriate pool brush to disperse any undissolved granules which may have settled to the bottom of the pool.
• Operate pump and filter continuously for 4 to 8 hours after product addition.
• Apply more product after heavy use, high temperatures, or rain. For best results, shock pool weekly.

TEST CHLORINE LEVEL PRIOR TO RE-ENTRY. RE-ENTRY INTO TREATED SWIMMING POOLS IS PROHIBITED ABOVE LEVELS OF 4 PPM CHLORINE DUE TO RISK OF BODILY INJURY.

To Open Pool:
• Apply an appropriate winter algaecide after addition of this product. • Operate pump and filter continuously for 4 to 8 hours after product addition.
• Apply more product after heavy use, high temperatures, or rain. For best results, shock pool weekly.
• Apply an appropriate winter algaecide after addition of this product.
