TRUST PROVEN® for effective protection from mosquitoes, ticks and listed insects so you can enjoy the outdoors worry-free.

FAMILY CARE Use with confidence on the whole family.

LONG-LASTING 14 hours of effective protection from ticks and mosquitoes. Repels biting flies, stable flies, black flies, gnats, chiggers, sand flies and Scottish biting midges (No-see-ums) for up to 8 hours.

INSECT-BORNE DISEASES 14 hour effective protection from mosquitoes that may transmit Zika, Dengue, West Nile Virus, and Chikungunya, and ticks carrying Lyme disease and tick-borne encephalitis.

NON-GREASY PROVEN® uses Saltidin®, a patented ingredient. *PROVEN®, as a brand name, confirms that all tick, mosquito and other listed insect related claims made on this label are proven to be true.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS. Causes substantial but temporary eye injury. Do not get in eyes or clothing. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco or using the toilet. Discontinue use and consult a doctor if irritation or rash occurs.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Apply evenly to skin in a thin layer. Do not exceed two applications per day. Avoid contact with eyes, lips, cuts, wounds, irritated or excessively sunburned skin. Do not apply under clothing. Apply on face by first spreading small amounts in palms of hands and spreading on face and neck, avoiding your eyes. Apply sparingly around ears. Do not apply to the hands of small children. When using on children, apply to your hands and then apply to the child. Do not apply to their hands. When using on children, apply to your hands and then apply to the child. Take care to avoid mouth and eyes and apply sparingly around ears. Do not allow children to handle the product. Use of this product does not eliminate all risk of contracting a mosquito or tick-borne illness.

FIRST AID: If in eyes: Hold eye open and rinse with water for 15-20 minutes. Remove contact lenses, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. If swallowed: Call a doctor or poison control center immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless advised by a Poison Control Center or a doctor. Do not give anything to an unconscious person. Have the container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 800-410-3063 for emergency medical information.

STORAGE AND DISPOSAL Pesticide Storage: Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame. Pesticide Disposal and Container Handling: Non-refillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 800.526.9377 for disposal instructions. Never place unused product down any indoor or outdoor drain.
