- Pat. 9,326,524 B1
- Made for Nantucket Spider, LLC
  - PO Box 536, Wilton, CT 06897
  - Tel (203) 423-3031

Nantucket Spider, LLC represents that this is a minimum risk pesticide which qualifies for exemption from EPA registration under FIFRA CA Reg. No. 1051149-30001-AA.

DIRECTIONS: Mist over exposed skin, hair and clothing focusing application waist-down as most ticks are found on or near the ground. Be sure to thoroughly spray socks, shoes, legs and any other body parts likely to come into contact with brush or grass. Repellent after swimming or exercise. Other preventive actions to reduce tick bites include wearing light clothing, tucking pants into socks and regular tick checks on your body.

FIRST AID: If eye irritation results, rinse eyes with cool water. If skin irritation results, wash with soap and water and discontinue use. If irritation persists, seek medical advice.
