OTHER INGREDIENTS:

- Dimethyl benzyl ammonium chloride: 0.960%
- Didecyl dimethyl ammonium chloride: 0.432%
- Dioctyl dimethyl ammonium chloride: 0.288%
- Octyl decyl dimethyl ammonium chloride: 0.720%

TOTAL: 100.000%

ACTIVE INGREDIENTS:

- Free & Clear: 41 FL. OZ. (1 QT. 9 FL. OZ.) 1.21 L
- Sanitizer:
  - Kills 99.9% of Bacteria***
  - Contains 0% bleach so it’s suitable to use with both whites and colors.
- ORGANIC.Active:
  - Kills 99.9% of Staphylococcus aureus and Respiratory Syncytial Virus (RSV) in pre-soak.
  - Kills 99.9% of E. coli and Salmonella enterica.
  - Great for Sanitizing.

DIRECTIONS FOR USE:

For High Efficiency / Front Load Machines:

1. Add 2 CAPFULS each filled to line 2 of the dosing cap to the fabric softener compartment or directly to your rinse cycle wash.
2. To Sanitize: Add to rinse cycle and leave product in rinse cycle for 15 minutes. Rinse thoroughly with clean water or machine wash as directed.
3. For Laundry Sanitizer Directions:
   - Pour 2 capfuls into 1 gallon of cold water. Soak items for 15 minutes. Rinse thoroughly with clean water or machine wash as directed.
   - Use this product in the rinse cycle exclusively. Can be used on most washable fabrics. Not intended for use on silk or wool. Do not use on materials that cannot be washed in washing machines.

For Standard Machines:

1. Add 2 CAPFULS each filled to line 2 of the dosing cap to the fabric softener compartment or directly to your rinse cycle wash.
2. To Sanitize: Add to rinse cycle and leave product in rinse cycle for 15 minutes. Rinse thoroughly with clean water or machine wash as directed.
3. For Laundry Sanitizer Directions:
   - Pour 2 capfuls into 1 gallon of cold water. Soak items for 15 minutes. Rinse thoroughly with clean water or machine wash as directed.

When you wash your clothes in cold water, bacteria can survive. Lysol® Laundry Sanitizer is an additive that kills 99.9% of bacteria***. It contains 0% bleach so it’s suitable to use with both whites and colors.

DANGER:

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS:

- Hazards to Humans and Domestic Animals
- DANGER: Keep out of reach of children. May cause skin irritation.
- POISON: Corrosive. Causes severe eye damage. Avoid contact with eyes, mouth, and skin.
- Harmful if swallowed, inhaled, or absorbed through the skin.

FIRST AID: If in eyes:

Hold eye open and rinse slowly and gently with water for 15–20 minutes. Call a Poison Control Center or doctor for treatment advice. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

For contact may cause allergic reactions in some individuals.

CONTACT NUMBER:

1-800-228-4722. Have the product container or label with you when calling a Poison Control Center, or doctor, or going for treatment.

NOTE TO PHYSICIAN:

Probable mucosal damage may occur if swallowed. Please consult your doctor before using this product.
