Kills the queen and colony
NO MESS

DO NOT ALLOW CHILDREN OR PETS TO PLAY WITH BAIT STATIONS

Keep out of reach of children. Do not let children handle or eat bait. Keep children and pets away from bait stations.

Keep bait on children or pets. Do not let children or pets eat bait. Do not let children or pets enter treated areas for 24 hours. Do not let children or pets touch treated areas for 24 hours. 1. Separate bait stations before placement. Peel off and dispose of activation tape. 2. For best results, place bait stations where you see ants in and around your home. If ants are found in more than two places, call a pest control service. 3. Avoid setting the bait station in direct sun to decrease evaporation of the bait solution. 4. When ant problem is controlled, remove bait station and dispose of to storage and disposal instructions. 5. Do not allow children or pets to play with bait stations.

Use sites:
- Under kitchensinks
- Corners of rooms
- Near plumbing fixtures
- Corners of cabinets
- Under and behind places ants are found
- On windowsills

Storage and disposal:
- Non-refillable. Do not reuse or refill the bait station. Call 800-558-5252 weekdays 9-9 Eastern Time.
- IF PARTIALLY FILLED: Call your local solid waste agency [or call 800-529-3394] for disposal instructions. Never place unused product down any indoor or outdoor drain.
- When ant problem is controlled, remove bait station and dispose of according to the storage and disposal instructions. 6. When ant problem is controlled, remove bait station and dispose of.

About S.C. Johnson:
