READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS AND PUPPIES 12 WEEKS AND OLDER

RESTRICTIONS: Do not use on puppies under 12 weeks. Do not use on cats. Do not open until ready to use. Do not let children play with collar. Use only one collar per dog at a time. Do not open until ready to use. Dust forms on collar during storage. Do not get dust in mouth or eyes. Wipe collar with a damp paper towel or disposable cloth prior to applying. Place collar around dog’s neck tightly and adjust for fit, then buckle in place. This collar must be worn correctly to allow for growth of the dog and to permit the collar to move about the neck. Generally, a properly fitted collar is one that when fastened, will snugly slide over dog’s head. Two fingers should fit between the collar and neck. Leave 2 or 3 inches for extra adjustment. Cut off excess length, wrap in newspaper and dispose of in trash. Wash hands after placing collar on dog. Replace collar every 6 months.
