HAZARDS TO HUMANS AND DOMESTIC ANIMALS. CAUTION. Do not open protective package until ready to use. Do not let children play with this collar. Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, ears, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using the toilet. Consult a veterinarian having this product on debilitated, aged, pregnant, medicated, or nursing animals. Sensitivities may occur after using any pesticide products for pets. If a type of sensitivity occurs, remove collar and bathe your dog with mild soap and water with large amounts of water. If signs continue, consult a veterinarian immediately. This collar is intended for external use only as a racinsecticide and must be taken internally by humans or animals.

DIRECTIONS FOR USE
It is violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS AND PUPPIES 12 WEEKS AND OLDER

RESTRICTIONS
Do not use on puppies under 12 weeks. Do not use on cats. Do not open package until ready to use. Do not let children play with collar. Use only one collar per dog at a time. Dust forms on collar during storage. Do not get dust in mouth or eyes. Wipe collar with a damp paper towel or disposable cloth prior to applying. Place collar around dog’s neck, adjust for fit, and buckle in place. The collar must be worn loosely to allow for growth of the dog and to permit the collar to move about the neck. Generally, a properly fitted collar is one that when fastened, will snugly slide over dog’s head. Two fingers should fit between the collar and neck. Leave 2 or 3 inches for extra adjustment. Cut off excess length, wrap in newspaper and dispose of in trash. Wash hands after placing collar on dog. Replace collar every 6 months.

FIRST AID
If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
