INTRODUCTION
MetaLarv XRP Mosquito Growth Regulator Extended Release Pouch (hereafter referred to as MetaLarv XRP) are water soluble pouches containing 18 grams each of MetaLarv, an insect growth regulator for use against mosquito larvae. MetaLarv XRP is formulated to release S-methoprene over time, from a spherical pellet carrier. NOTE: MetaLarv XRP prevents development of mosquito larvae into adults. MetaLarv XRP has no effect on mosquitoes that have reached the pupal or adult stage prior to treatment.

APPLICATION DIRECTIONS
Place MetaLarv XRP at or before the beginning of the mosquito season. MetaLarv XRP can be applied prior to flooding when sites are dry. Under normal conditions, one application will last up to 105 days in drainage systems and up to 42 days in surface waters. Alternate wetting and drying will not reduce their effectiveness.

MetaLarv XRP is applied to areas that contain fish, other aquatic life, and plants. MetaLarv XRP is applied to areas used by or in contact with humans, pets, horses, livestock, birds, or wildlife.

Catch basins and storm drains: 1 pouch/100 sq. ft.

If on skin or clothing after the first 5 minutes, then continue rinsing eye.

Hold eye open and rinse slowly and gently with water for 15-20 minutes.

Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for treatment advice.

Remove contaminated clothing.

Take off contaminated clothing.

Rinse skin immediately with plenty of water for 15-20 minutes.

Call a poison control center or doctor for treatment advice.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry place.

PESTICIDE DISPOSAL: To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program (often such programs are run by state or local governments or by industry).

CONTAINER HANDLING: Offer foil pouch for recycling if available or dispose of empty pouch in the trash as long as the water soluble pouch is unbroken.

WARRANTY STATEMENT
To the extent consistent with applicable law, seller makes no warranty, express or implied, of merchantability, fitness or otherwise concerning the use of this product other than as indicated on the label. To the extent consistent with applicable law, user assumes all risks of use, storage or handling not in strict accordance with accompanying directions.
