CAUTION: See back panel for other precautions.

KEEP OUT OF REACH OF CHILDREN

SANITIZES FABRICS

FRAGRANCE FREE ANTIBACTERIAL SPRAY

kicks 99.9% of bacteria***

Active Ingredient:
Didecyl dimethyl ammonium chloride  0.33%

Other Ingredients:
99.67%

Total: 100.00%

Net Contents: 1.37 PT (22 FL OZ)
**PRECAUTIONARY STATEMENTS:** Hazards to Humans and Domestic Animals.

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes and skin. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Fabric Applications**
To deodorize fabrics, spray on fabrics until slightly damp to eliminate odors. For a noticeably fresh home, spray fabrics, carpets, and air all around your home.

To sanitize soft surfaces, clean heavily soiled areas before application. From a distance of 6-8 inches, spray a spot (2” x 2”) area evenly until damp to kill bacteria. Fabric must remain wet for 5 minutes. Effective against Enterobacter aerogenes and Staphylococcus aureus.

To kill odor-causing bacteria on soft surfaces: Clean heavily soiled areas before application. From a distance of 6-8 inches, spray evenly until damp to kill bacteria. Fabric must remain wet for 5 minutes. As item dries, odors are eliminated, and bacteria are killed. Effective against E. aerogenes, and S. aureus.

For mold/mildew prevention: For heavily soiled areas, a pre-cleaning step is required. From a distance of 6-8 inches, spray surface until thoroughly wet. Let stand for 5 minutes before wiping. Repeat treatment every 7 days, or more often if new growth appears. Effective against A. niger.

For mold/mildew prevention: For heavily soiled areas, a pre-cleaning step is required. From a distance of 6-8 inches, spray surface until thoroughly wet. Let stand for 5 minutes before wiping. Repeat treatment every 7 days, or more often if new growth appears. Effective against A. niger.

**Hard Non-Porous Surfaces**

**For Cleaning:** Spray 6-8 inches from surface. Wipe dry with a dry paper towel or lint free cloth.

**For Sanitization and Bacterial & Virucidal† Disinfection:** For heavily soiled areas only, a pre-cleaning step is required. For hard non-porous surfaces, spray surface from 6-8 inches until thoroughly wet. Let stand for 5 minutes before wiping. Effective as disinfectant against Proteus mirabilis, Escherichia coli, Staphylococcus aureus, and Influenza A†. Effective as sanitizer against Enterobacter aerogenes and Staphylococcus aureus.

For mold/mildew prevention: For heavily soiled areas, a pre-cleaning step is required. For hard non-porous surfaces, spray surface from 6-8 inches until thoroughly wet. Let stand for 5 minutes before wiping. Repeat treatment every 7 days, or more often if new growth appears. Effective against A. niger.

Not for use on food contact surfaces including dishes, glassware, cookware and utensils. A rinse is required for surfaces in direct contact with food.

**STORAGE/DISPOSAL:** Store in original container in areas inaccessible to children. Store at room temperature. Non-refillable container. Do not reuse or refill this container. Wrap container and put in trash or offer for recycling, if available.
