**FIRST AID**

- **IF IN EYES**: Hold eye open and rinse slowly and gently with water for 15-20 minutes, then refer to first aid guide.
- **IF ON SKIN OR CLOTHING**: Take off contaminated clothing. Rinse skin immediately with plenty of water for at least 15-20 minutes. Call a poison control center or doctor for further treatment advice.
- **IF SWALLOWED**: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
- **IF INHALED**: Move person to fresh air. If not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

---

**STORAGE AND DISPOSAL**

**PROHIBITIONS**: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

**PESTICIDE DISPOSAL**: Waste resulting from the use of this pesticide may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL**: Non-refillable container. Do not reuse or refill this container. Triple rinse containers (or equivalent) promptly after emptying. Then offer for recycling, if available, or reconditioning, if appropriate, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

**GENERAL**: Consult federal, state or local disposal authorities for approved alternate methods.
