**Chlorinate:**
Add 1/2 oz. of this product per 500 gallons of water to the product to contact any foreign matter, including other chlorine residual. The residual chlorine must read between 2 to 3 ppm.

If it does not, additional dosages of material should be added until it is consistent with its labeling. Re-entry into treated spas/hot tubs is prohibited above levels of 5 parts per million (ppm) free residual chlorine. Read all Precautionary Statements before use.

**Keep out of reach of children.**

**Storage & Disposal:**
This pesticide is toxic to fish and aquatic organisms. It is good practice to superchlorinate every 2 to 4 weeks to control odors and algae.

**EPA EST. NO. 3525-NJ-1 [NJ]**

**For Regular Dosage:**
5/8 oz. of this product per 500 gallons of water.

**Superscript Used in Lot No.:**
EPA EST. NO. 66397-OK-01 [OK]

**Net Weight:**
2 lb (907 g)

**PHYSICAL OR CHEMICAL HAZARD:**
DANGER. If product is exposed to small amounts of water, it can react violently to produce heat and toxic gas and spatter. Do not add water to this product. Add only into water.

**ENVIRONMENTAL HAZARD:**
This product should be added daily or as necessary to maintain a 2 to 3 ppm residual chlorine in the water which is sufficient to prevent the growth of algae. To superchlorinate add 1 oz. of this product for every 500 gallons of water. Resume program when chlorine residual returns to 0 ppm.

**CA REG. NO. 73081-50001**

**CA REG. NO. 73081-50018-AA**

**CA REG. NO. 73081-50017-AA**

**Causes eye irritation.**

**Corrosive.**

**DANGER.**
Corrosive. Causes irreversible eye damage and skin burns. May be fatal if inhaled. Harmful if swallowed, or absorbed through skin. Irritating to nose and throat.

**CAUTION**

**Open in a well-ventilated area.**
Avoid breathing dust and fumes. • Do not get in eyes, on skin or on clothing. Do not breathe dust, vapor or spray on skin or clothing.

**NOTE TO PHYSICIAN:**
Probable mucosal damage may contraindicate the use of gastric lavage. In case of ingestion, call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**Tobacco or using the toilet.**

**Remove contaminated clothing and wash clothing before reuse.**

**Do not reuse or refill this container. Rinse empty container thoroughly with water to dissolve all chemical residues.**

**Keep this product dry in its tightly closed container when not in use. Store in a cool, dry, well-ventilated area. Keep away from heat or open flame. Non-refillable container.**
