High pH Phenolic Sanitizer for Use Only in Pharmaceutical Cleanrooms
Formulated for Use in Aseptic and Controlled Environments (Cleanrooms)

Active Ingredients:
- Ortho-benzyl-para-chlorophenol .......................... 4.21%
- Ortho-phenyl phenol ........................................ 2.22%
- Para-tertiary-amylphenol .................................. 2.52%
- Other Ingredients ............................................. 90.29%
Total .............................................................. 100.00%

KEEP OUT OF REACH OF CHILDREN
DANGER PELIGRO

FIRST AID
IF IN EYES: Hold eye open and rinse slowly and gently with plenty of water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice. Do not give any liquid to this product. Do not give anything by mouth to an unconscious person.

IF SWALLOWED: Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to this person. Do not give anything by mouth to an unconscious person.

HOTLINE NUMBER For emergency medical advice, call your local poison control center or doctor. Have the product container or label with you when seeking medical advice or treatment.

DIRECTIONS FOR USE
It is a violation of federal law to use this product in a manner inconsistent with its labelling. PELIGRO: Si no puede leer en ingles, pregunte a su supervisor sobre las instrucciones de uso apropiadas antes de trabajar con este producto.

Non-Food Contact Sanitization: Pre-clean surface prior to sanitization. Mix 1 ounce of DECON-PHENE II per 1 gallon of water use solution (or equivalent use dilution). Apply use solution to hard nonporous environmental surfaces using a brush, sponge, cloth, mop, auto scrubber or mechanical spray device (coarse pump or trigger spray device) by immersion so as to thoroughly wet surface. For sprayer applications, spray 6-8 inches from surface. Do not breathe spray. Rub with brush, cloth, or sponge. Allow surfaces to remain wet for 5 minutes. Allow to air dry. Change cloth, sponge or towels frequently to avoid redeposition of soil. Prepare a fresh solution at least daily or when use solution becomes visibly dirty.

DECON-PHENE II is an effective sanitizer on inanimate, non-porous non-food contact surfaces demonstrated in testing against Staphylococcus aureus (ATCC® 4352) and Klebsiella pneumoniae (ATCC® 13882) in 5 minutes.

DECON-PHENE II is acceptable for use by pharmaceutical and biotechnology industries. For use on hard, inanimate surfaces in aseptic filling and gowning rooms, general manufacturing areas, or on machinery, tables, counters, laminar flow benches, floors, walls, stainless steel, glazed porcelain, glass, and chrome.

EMERGENCIES: In case of emergency call, 1-866-928-0789 (toll free) 24 hours a day from the USA, Canada or Mexico.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

DANGER. Corrosive. Causes irreversible eye damage. Do not get in eyes or on clothing. Wear protective eyewear (goggles, face shield). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Harmful if swallowed. Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Harmful if inhaled. Avoid breathing spray mist.

USER SAFETY REQUIREMENTS
Users must wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users must remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing. Users must remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

PHYSICAL AND CHEMICAL HAZARDS
Combustible. Do not use or store the product near heat or open flame.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store in a securely closed original container. Store in a area that will prevent cross contamination of other pesticides, fertilizer, food, and feed. Avoid storage at temperature extremes or in sunlight.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL - Completely empty container allowing the product to drain for 10 seconds after the flow begins to drip. Dispose of container by permitted onsite incinerator or by transport to offsite permitted incineration services. If incineration is unavailable, fill the container 1/4 full with water. Shake for 10 seconds. Empty and collect rinsate into appropriate storage vessel for disposal. Repeat this procedure two more times. Follow Pesticide Disposal instructions for rinsate disposal. Then offer for recycling or dispose of in a sanitary landfill.
