(C8/C10 Fatty Acid blend = 4.79 %)
EPA Est. No. 4-NY-1   EPA Reg. No. 67702-59-4

Kills weeds, grass, algae & moss

FOR ORGANIC GARDENING
Fast-acting, non-selective broadleaf weed, grass, algae and moss killer

Rainfast in three hours

For use on, in and around patios, walkways, driveways, flowerbeds, vegetable gardens, shrubs, trees, fences, foundations and other areas of your yard

For organic gardening
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Application Directions**

Shake well before using. Do not dilute. Thorough coverage is extremely important. Spray individual weeds to the point of runoff, including the center/stem of the plant. Plant damage will be visible from a few hours to 2 days after spraying. Repeat treatment every 2 to 3 weeks to control new weeds growing from seed and re-growth from biennial and perennial weeds. Avoid spraying desirable plants.

This product can be used any time during the year and works best during warm and dry conditions. Application during cold weather may delay appearance of plant damage. If rain falls within three hours of application an additional application may be required.
**CONTROLS**

Broadleaf weeds, grass, algae and moss.

**USE SITES**

Use within vegetable and flower gardens, landscaped areas, and in the vicinity of small fruits, vines and fruit trees.

Use around and on buildings, sidewalks, fences, bark mulch, driveways, patios and gravel.

**SPRAYER DIRECTIONS**

- Remove sprayer. Pull cord ALL THE WAY OUT.
- Remove top from cap on bottle.
- Insert plug into spout on cap until it clicks.
- Twist nozzle on sprayer to the spray position.
STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store unused material, tightly closed, in original container only, away from open flame. Do not store at temperatures below 39°F.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:

If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

| **IF IN EYES** | • Hold eye open and rinse slowly and gently with water for 15-20 minutes.  
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.  
• Call a poison control center or doctor for treatment advice. |

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact SafetyCall® (866) 897-8050 for emergency medical treatment information.
**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear protective eyewear. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

**ENVIRONMENTAL HAZARDS**

Do not apply directly to water. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.
