Germetricidal Bowl Cleanse is a one-step cleaner/disinfector for use on toilet bowls and urinals. Germetricidal Bowl Cleanse is recommended for use in hotels and motels, office buildings, schools, public buildings, restaurants...any commercial, institutional or industrial building with lavatory facilities.

This product is effective only against Gram-negative bacteria.

**FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY**

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**CLEANING, DISINFECTING AND DEODORIZING TOILET BOWLS AND URINALS:**

1. With swab mop applicator, remove water from bowl by forcing over trap.
2. Press swab mop against side of bowl to remove excessive water from applicator.
3. Saturate swab mop with Bowl Cleanse (1-2 oz.) while holding applicator and bottle over bowl.
4. Swab entire surface area especially under the rim where water outlets are located.
5. Allow Germicidal Bowl Cleanse to remain wet on surface at least 10 minutes.
6. Flush toilet several times and rinse swab mop applicator thoroughly.

For heavily soiled surfaces, a preliminary cleaning is required.

WILL NOT HARM ACTION OF SEPTIC TANKS.

**FIRST AID:**

**IF SWALLOWED:** Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for further treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a Poison Control Center or doctor for further treatment advice.

**IF IN EYES:** Hold eyelids open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for further treatment advice.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

In case of emergency call 888-314-6171. Have the product container or label with you when calling a Poison Control Center or doctor or going in for treatment.

**PRODUCT INFORMATION:**

**NET CONTENTS:** 32 Fl. Oz. (One Quart)/0.946 Liters

**PRECAUTIONARY STATEMENTS**

**Hazard to Humans and Domestic Animals**

Corrosive. Causes irreversible eye damage or skin burns. May be fatal if swallowed. Harmful if absorbed through the skin or inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing spray mist. Wear goggles or face shield. Wear protective clothing and rubber gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

**Environmental Hazards**

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) Permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**Physical and Chemical Hazards**

Do not use with other chemicals. Mixtures of this product with other chemicals, particularly those containing chlorine bleach or ammonia may result in the production of toxic gases, fire or explosion.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal. Pesticide Storage: Store in a cool, dry area inaccessible to children. Container Disposal: Nonrefillable container. Do not reuse or refill this container. Close flip top and discard in trash.
