**Health Hazards:**
- Probable mucosal damage may contraindicate the use of gastric lavage.

**EYE PROTECTION:**
- Use safety glasses or goggles. Wear a full face respirator if aerosol is generated.

**SPECIAL FIRE AND EXPLOSION HAZARDS:**
- This product is combustible. Flammable in the presence of an ignition source.

**STORAGE AND DISPOSAL:**

- Do not store in proximity to heat, hot water or in direct sunlight.
- Dispose of in accordance with applicable Federal, State or Local regulations.
- Containers may be returned to your local waste management facility.

**INERT INGREDIENTS:**
- Ammonium chloride
- Didecyl dimethyl ammonium chloride
- Dioctyl dimethyl ammonium chloride
- Dimethyl benzyl ammonium chloride

**WARNING:**
- Do not inhale or allow contact with eyes, skin, clothing or surfaces.

**KEEP OUT OF REACH OF CHILDREN:**

**DANGER**
- Keep out of reach of children.

**For INSTITUTIONAL AND INDUSTRIAL USE:**
- Spartan Chemical Company, Inc., 1110 Spartan Drive, Maumee, OH 43537
- #1060 NET CONTENTS: 1 U.S. Gallon / 3.79 Liters

**SERVING SUGGESTION:**

- Use a scraper to remove soil from hard, nonporous inanimate surfaces. Add 2 oz per gal of water. Apply solution with a cloth or sponge. Let air dry. Prepare fresh solution for each application.

**DIRECTIONS FOR USE:**

- Use a proven one-step cleaner/disinfectant in bathrooms, locker rooms and other areas where control of foot fungus is important.
- **PSQ** is effective against the following microorganisms:
  - *Aspergillus niger*
  - *Trichophyton mentagrophytes*
  - *Trichophyton*
  - *Salmonella enterica*
  - *Pseudomonas aeruginosa*
  - *Staphylococcus microorganisms:*

**BROAD SPECTRUM BACTERICIDAL ACTIVITY:**

- **PsQ** is a broad spectrum disinfectant cleaner. It is effective against the majority of microorganisms found in bathrooms, shower stalls and locker rooms. It is not effective against viruses, but will effectively inactivate enveloped viruses. Use in predispersal. It is not intended to decontaminate critical or semi-critical medical devices prior to sterilization or critical or semi-critical medical devices prior to sterilization.

**MOLD AND MILDEW:**

- **PsQ** is effective against mold and mildew. It is effective against mold and mildew (such as *Aspergillus niger*) and the odors they cause on pre-cleaned hard, nonporous inanimate surfaces. Treated surface must remain wet for 10 minutes. Rinse treated surface with water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**STORAGE AND DISPOSAL:**

- **PsQ** is a combustible. In the presence of an ignition source, it will burn with an extended smoke and flame. Call a Poison Control Center or doctor immediately for treatment advice.
