

### Organipeel®

Provides reduction of spoilage and decay caused by non-public health microorganisms on the surface of unprocessed fruits and vegetables.

#### ACTIVE INGREDIENT

Citric acid .....	0.66% by wt.
INERT INGREDIENTS .....	99.34% by wt.
TOTAL .....	100%

KEEP OUT OF REACH OF CHILDREN (KOROC)

## CAUTION

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

#### FIRST AID

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For additional information in case of emergency call toll free, **1-800-535-5053**.

Net Contents: 1 kg

EPA Reg. No. 92708-1

EPA Est. No. TBD

#### DIRECTIONS FOR USE

Organipeel® is provided as a package of dry ingredients that is added to water to create a final working solution.

#### For Organipeel® Solution Preparation

1. The Organipeel® powder is added to water under stirring. The resulting solution is stirred until a homogeneous solution is formed.
2. The solution is then applied to raw agricultural commodities by, for example, dipping the produce into the solution and setting the treated produce out to dry, or spraying the solution onto the produce as it moves along a conveyor system and then allowing the treated produce to dry.
3. Drying of the produce can occur under ambient conditions or be facilitated by forced air drying.

#### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**STORAGE:** Store the packaged powder product upright and away from sunlight. Keep container tightly closed and store in a cool, well-ventilated area.

**CONTAINER DISPOSAL:** Non-refillable container. Do not reuse or refill this container. Offer for recycling if available or reconditioning if appropriate, or puncture and dispose of in a sanitary landfill or by incineration.
