**Disinfectant Deodorant**

**USES:** This Hospital Disinfectant and Deodorant acts within 10 minutes to disinfect porous hard surfaces such as Hospital Rooms, Bathrooms, Toilets, Sinks, Urinals, Lavatory Chutes, Dustbins, Metal Rails and Fixtures, Wires, Chain, Closet, Hangers, Dressing Rails, Cleaning Carts, Light Switches, Office Machinery, and other equipment after the surface has been properly cleaned. Will reduce the hazard of cross contamination by bacteria from environmental surfaces.

- **Molecular Action:** Disinfectant attacks the source. Does not cause allergies. Supresses and eliminates odors by chemically neutralizing odor-producing materials. Effective on odors from any source when used as a deodorant in hospitals, nursing homes, ambulances, from porcine fever, poultry, swine, human and animal diseases. Also effective on odors in kitchens, bathrooms, industrial plant processes, food processing and packaging plants and food stores.
- **Exhaustive Action:** The product will control the following pathogenic organisms when used as a surface disinfectant: Tubercle bacilli, Mycobacterium ulcerans, Pseudomonas aeruginosa, Salmonella enteritidis, Salmonella schottmulleri (paratyphoid B), Salmonella typhi, Shigella dysenteriae, Shigella flexneri, Staphylococcus aureus, Streptococcus pyogenes, and Streptococcus pneumoniae. **Virucidal:** Kills Hepatitis simplex virus type 1 and 2 and HIV-1 (AIDS virus) on environmental hard surfaces.
- **Inhibits growth of mildew (mold) stains** such as Aspergillus fumigatus and Penicillium variabile on hard surfaces for 7 days and for 28 days on fabric.
- **Acts instantly and remains effective for long periods on unpleasant odors from fecal matter, urine, vomit, tobacco, nicotine, mildew and mold decay, garlic, onion, hard mustard, oil, asphalt, tar, pitch, oil, grease, excreta of animals, fish.

**INSTRUCTIONS FOR USE:**
- 7 days for hard surfaces
- 20 days for fabric

**INHIBITS MOLD AND MILDEW GROWTH FOR 7 DAYS FOR HARD SURFACES AND FOR 20 DAYS ON FABRIC!**

**TUBERCULOCALDIA, STAPHYLOCALDIA, BACTERICALDIA, FUNGICDIA, PSEUDOMONALDIA, VIRUDIA**

**KILLS HERPES SIMPLEX VIRUS TYPES 1 AND 2 AND HIV-1 (AIDS VIRUS)**

**On Environmental Hard Surfaces**

**ACTIVE INGREDIENTS:**

- **2% (70%)** alcohol
- **2% (50%)** acetic acid
- **2% (25%)** hydrochloric acid

**INHIBITING INGREDIENTS:**

- **2% (70%)** isopropyl alcohol
- **2% (50%)** acetic acid
- **2% (25%)** hydrochloric acid

**KELLING OUT OF REACH OF CHILDREN**

**CAUTION:**

See back panel for additional precautionary statements.

**NET WT. 1LB. 0.5 OZ.**

**(16.5 OZ.) (453 grams)**
