Harmful if swallowed. Harmful if inhaled or absorbed through the skin. Causes moderate eye irritation. Avoid contact with eyes, on skin or on clothing. Prolonged or frequently repeated skin contact with the active ingredient, Trifluralin, may cause allergic reaction in some individuals.

For additional information in case of emergency call toll free 1-800-424-9300.

First Aid

- If swallowed:
  - Call a poison control center or doctor immediately for treatment advice.
  - Have person sip a glass of water if able to swallow.
  - Do not induce vomiting unless told to do so by a poison control center or doctor.
  - Do not give anything by mouth to an unconscious person.

- If in eyes:
  - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye.
  - Call poison control center or doctor for treatment advice.

- If on skin or clothing:
  - Take off contaminated clothing.
  - Rinse skin immediately with plenty of water for 15-20 minutes.
  - Call a poison control center or doctor for treatment advice.

- If inhaled:
  - More person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
  - Call a poison control center or doctor for treatment advice.

Have the product container label with you when calling a poison control center or doctor, or going for treatment.

Personal Protective Equipment (PPE)

Applicators and all other Handlers must wear:

- Long-sleeved shirt and long pants,
- Shoes and socks, and
- Chemical resistant gloves such as or made of any waterproof material.

User Safety Requirements:

Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

**USER SAFETY RECOMMENDATIONS**

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

Environmental Hazards:

This pesticide is extremely toxic to freshwater, marine, estuarine fish, and aquatic invertebrates including shrimp and oyster. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

Physical Hazards:

Do not store near heat or open flame.

**Directions for Use:**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not apply this product in a way that will contact workers or other persons. Only protected handlers may be in the area during application. The Worker Protection Standard applies when Biobarrier is used to produce agricultural plants on farms, forests, nurseries or greenhouses.

Biobarrier Root Control System

Biobarrier is a multi-year root control system consisting of time-release nodules impregnated with a herbicide. The nodules are attached permanently to a flexible and permeable geotextile fabric which can be contour applied to a wide variety of applications and which will inhibit plant root development in the applications set forth below.

Active Ingredient: Nominal

Trifluralin (o,o,o-trifluoro-2,6-dinitro-N,N-dipropyl-p-toluidine)………… 17.5% Inert Ingredients:……………………………………. 82.5% TOTAL…………………………………………………………… 100.0%

Net Contents: 4-60lbs

KEEP OUT OF REACH OF CHILDREN

CAUTION

See side panel for additional Precautionary Statements.

Disclaimer of Warranties

To the extent consistent with applicable law, the Seller makes no warranties of merchantability or fitness for a particular purpose, or any other express or implied warranty.

Buyer assumes all risk and liability resulting from use of the products delivered hereunder, whether used singly or in combination with other products. All statements concerning this product apply only when used as directed.

Limitation of Damages

No claim of any kind, whether as to products delivered or for nondelivery of products, and whether or not based on negligence, shall be greater in amount than the purchase price of the products in respect to which damages are claimed. No charge or expense incident to any claims will be allowed unless approved by an authorized representative of Seller. Products shall not be returned to seller without Seller’s prior permission, and then only in a manner prescribed by Seller. To the extent consistent with applicable law, the remedy hereby provided shall be the exclusive and sole remedy of Buyer, and in no event shall either party be liable for special, indirect or consequential damages, whether or not caused by or resulting from the negligence of such party.

Biobarrier Applications

- Roads
- Rooftops
- Septic Tanks/Fields
- Sidewalks
- Swimming Pools
- Tennis Courts
- Underground Pipes & Cables
- Utility Substations
- Weed Control
