RED™ Sink Liquid Sanitizer (Quat)

Active Ingredients:
n-Alkyl (C_{14} 60%, C_{16} 30%, C_{18} 5%, C_{12} 5%) dimethyl benzyl ammonium chloride........................................7.04%
n-Alkyl (C_{14} 68%, C_{14} 32%) dimethyl ethylbenzyl ammonium chloride........................................7.04%
Other Ingredients..........................................................................................................................85.92%
Total........................................................................................................................................100.00%

KEEP OUT OF REACH OF CHILDREN

DANGER

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER. CORROSIVE: Causes irreversible eye damage and skin burns. Harmful if swallowed or absorbed through the skin. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles or face shield), protective clothing and protective gloves (rubber or chemical resistant) when handling. Wash thoroughly with soap and water after handling.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

Medical Emergency: (877) 231-2615 or call collect 0 (952) 853-1713.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Open dumping is prohibited. Store in original container in areas inaccessible to children.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Nonrefillable container. Do not reuse or refill this container. Clean container promptly after emptying.

Completely empty bag into application equipment. Then offer for recycling if available or dispose of in a sanitary landfill, or by incineration, or by other procedures allowed by state and local authorities.

See Outer Carton for complete Directions for Use and Precautionary Statements and First Aid.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

Medical Emergency: (877) 231-5265 or call collect 0 (952) 853-1713

Red Sink Liquid Sanitizer (Quat) at 3.64 fl. oz. per 20 gallons of water (or equivalent dilution) is an effective sanitizer for use on food contact surfaces in 60 seconds at 200 ppm active and 750 ppm hard water against:
Escherichia coli, Staphylococcus aureus

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DIRECTIONS FOR SANITIZING: For use on hard, nonporous surfaces such as eating utensils and drinking glasses. Remove gross particles and soil by a pre-flush, pre-scrape, or when necessary, a pre-soak treatment. Thoroughly pre-clean all surfaces with a good detergent or compatible cleaner and rinse with potable water prior to sanitizing. Then use 1 packet per 20 gallons of water (200 ppm active Quat) for a minimum contact time of 1 minute in a single application. Can be applied with a mop, sponge, trigger sprayer, or by soaking. Apply by soaking to dishes, glasses and eating utensils. For sprayer applications, use a coarse sprayer device. Spray 6-8 inches from the surface, rub with a brush, cloth or sponge. Do not breathe spray. The recommended use solution is prepared fresh for each use then discarded. Drain thoroughly. Do not rinse.

RESTAURANT AND BAR USE: For use as a sanitizer on dishes, glassware, silverware, cooking utensils, remove gross particles and soil by a pre-flush, pre-scrape, or when necessary, a pre-soak treatment. Thoroughly pre-clean all surfaces with a good detergent or a compatible cleaner and rinse with potable water prior to sanitizing. Immerse in a solution of 1 packet per 20 gallons of water (200 ppm active Quat) for at least 1 minute. Do not rinse. Allow to air dry. Prepare a fresh solution at least daily or when use solution becomes visibly dirty.

DIRECTIONS FOR SANITIZING EATING AND DRINKING UTENSILS IN EATING ESTABLISHMENTS:
1) Remove gross food particles and soil by a pre-flush, pre-scrape, or when necessary, a pre-soak treatment.
2) Thoroughly pre-clean all surfaces with a good detergent or compatible cleaner and 3) Rinse with potable water prior to sanitizing.
3) Immerse in a solution of 1.64 fl. oz. per 20 gallons of water (200 ppm active Quat). Immerse all utensils for at least two minutes or for a contact time specified by governing sanitary code.
4) Place sanitized utensils on a rack or drainboard to air dry. 6) Prepare a fresh solution at least daily or when use solution becomes visibly dirty.

NOTE: A clean potable water rinse following sanitization is not permitted under Section HFS 196, Appendix 7-209.11 of the Wisconsin Administrative Code (reference 40 CFR 180.940(a)).

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Open dumping is prohibited. Store in original container in areas inaccessible to children. Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or residue is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. Container Disposal: Nonrefillable container. Do not reuse or refill this container. Clean container promptly after emptying. Completely empty bag into application equipment. Then offer for recycling if available or dispose of in a sanitary landfill, or by incineration, or by other procedures allowed by state and local authorities.
