HOT FOOT BIRD REPELLENT DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with the labeling. USE RESTRICTIONS:

To repeat pigeons from buildings and adjacent structures. This product may be applied to glider edges, beams, ledges, windows, window silts, signs, and other surfaces. Wear disposable gloves when using this product. Do not apply at location where desirable species of birds might become entangled in the repellent.

APPLICATION DIRECTIONS:

Building surfaces to be treated should be dry and cleaned to remove droppings, dust, etc. On porous surfaces a washer such as Crystal Coat™ should be applied before using Hot Foot® gel. Do not apply in wet, dusty, or windy conditions. Keep out of reach of children. CAUTION. See additional PRECAUTIONARY STATEMENTS on Back Panel.

Partially filled cartridges:

"Place cap on tip of tube to prevent product from contacting eyes, REMOVAL:

Any organic solvent such as isopropyl alcohol or tetrahydral will remove Hot Foot® gel.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Caution. To avoid contact with skin or eyes.

Environmental hazards:

Birds may be more heavily treated due to this timely repellent. To reduce hazards to other species, refer to animal treatment manuals.

STORAGE AND DISPOSAL

Store in original container in a cool, dry, corrosion-free, place inaccessible to children and pets and apart from food or feed.

Disposal:

If empty: Do not re-use container. Place in trash or offer for recycling if available. If partly filled: call your local solid waste agency for disposal instructions. Never place unused product near any indoor or outdoor drain.

REORDER NO.: SN-2477 PART NO.: 99-1 DATE: 26-MAY-10 COLORS: Black 032_RED
