PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER: CORROSIVE. Causes immediate eye damage and skin burns. May be fatal if inhaled, swallowed or absorbed through the skin. Do not breathe vapors. Wear a properly fitted, approved respirator with a P100 or P100 filter. Do not get in eyes, on skin or on clothing. Wear protective overalls, protective clothing and rubber gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

FIRST AID:
IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING: Take off contaminated clothing. Please skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

NOTE TO PHYSICIAN: Probable mucosal damage may contribute to the use of gastric lavage. Measures against shock, respiratory depression, and convulsions may be needed.

ENVIRONMENTAL HAZARDS
This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of the National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewage systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS
Do not use or store near heat or flame. Do not use this product with any reducing or oxidizing agents (such as calcium hypochlorite, solid peroxide, or nitric acid) since such mixtures may be explosive. Do not use in conjunction with soap or any anionic wetting agent.

HYAMINE® is a Lonza trademark, is registered in the USA.

KEEP OUT OF REACH OF CHILDREN

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product is a concentrate for formulating purposes only. This product is formulated into antimicrobial products for use in/on Agricultural premises and equipment. Food Handling/storage establishments premises and equipment. Commercial, institutional and industrial premises and equipment. Residential and public access premises. Materials and Preservatives, Medical Premises and equipment and Swimming Pools. Formulations using this product are responsible for providing data for the EPA registration of their formulated products. This product may be used to formulate products for specific uses not listed on this label if the formulator or primary registrant has complied with U.S. EPA data requirements regarding the support of such use(s).

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE:
Open dumping is prohibited. Store in original container in areas inaccessible to children.

PESTICIDE DISPOSAL:
Pesticide containers are hazardous wastes. Improper disposal of excess pesticide, spray mist or runoff is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL
Nonhazardous container: Do not reuse or refill this container. Clean container promptly after emptying.

Pesticide and Metal Containers: Triple rinse as follows: Fill container 1/4 full with water and replace the container. Agitate vigorously, and dispose of rinsewaters collected with pesticide disposal instructions. Repeat two more times. Then offer for recycling if available or permitted and disposed in sanitary landfill or by other procedures approved by state and local authorities. Follow pesticide disposal instructions for rinsates. If not triple rinsed, these containers are acide hazardous wastes and must be disposed in accordance with local, state, and federal regulations.

For metal containers only: DO NOT cut or weld metal containers.

For Bag in Box Containers: Completely empty bag into application equipment. Then offer for recycling if available or dispose of in a sanitary landfill, or by incineration, or by other procedures allowed by state and local authorities.
