PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS WARNING: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

FIRST AID
If in Eyes:
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
• Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
For additional information on this pestcide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-364-3577.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage and disposal.
Pesticide Storage: Store this product in a cool, dry place that is inaccessible to children. Pesticide Disposal: If empty, Nonrefillable container. Do not reuse or refill this container. Offer for recycling. If available, if partly filled, Call your local solid waste agency or call 1-800-364-3577 for disposal instructions. Never place unused product down any indoor or outdoor drain.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL. For best results, spread evenly and completely over all exposed skin. DO NOT apply over cuts, wounds, or irritated skin. Apply to palm of hand for application to face and neck and rub in. DO NOT apply near eyes and mouth, and apply sparingly around ears. Use just enough repellent to cover exposed skin. Avoid application of this product. Heavy application and saturation is unnecessary for effectiveness. DO NOT wear under clothing. DO NOT allow children to handle this product, and DO NOT apply to children's hands. When using on children, apply to your own hands, and then put it on the child. After returning indoors, wash treated skin with soap and water or bathe. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to the doctor, take this repellent product with you. WILL NOT DAMAGE cotton, wool or nylon fabrics. May damage some synthetic fabrics (other than nylon), furniture, plastics (such as eyeglasses and watch crystals) but not painted or varnished surfaces (including automobiles).
