RootX®

NET WEIGHT: 2 LBS

Active Ingredient: Dichlobenil, 2.6 dichlorobenzenimidazolines .......................... 0.55%
Other Ingredients: ........................................................................................................... 99.45%
Total: ................................................................................................................................ 100.00%

Keep Out of Reach of Children

CAUTION

Read entire label carefully before using. Do not apply this product unless the directions are followed exactly as written.

Do not consume weapon, food, or feed by storage and disposal. Pedicure: Store in a dry place. Avoid storage near food or feed. Pedicure: Disposal: Wastes resulting from the use of this product may be disposed of or on site or at an off-site location. Container Disposal: Non-hazardous container. Do not reuse or recondition container. Completely empty container by: Shaking and tapping the sides and bottom to loosen clinging particles. Empty remaining contents into appropriate application site, then wash container with soapy water. Do not reuse empty container. If empty, close to trash or other recycling, if available. If partially filled, call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Causas moderate eye irritation. Avoid contact with eyes, skin or clothing. Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing dust.

FIRST AID

In eyes • Hold open eye and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for medical advice.

Inhaled • Remove person to fresh air. • If person is not breathing, call 911 or an ambulance; then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for medical advice.

If on skin or clothing • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for medical advice.

Inhalation • Call a poison control center or doctor immediately for treatment advice.

Ingestion • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.

NOTICE

Have the product container or label with you when calling a poison control center or doctor. For emergency assistance, call 1-800-929-9378.

NOTE TO PHYSICIAN

1.anted to water when disposing of equipment, wash water or rinse. This chemical is not associated with chemical released in ground water. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow may result in groundwater contamination.

Environmental Hazards: For treatment use, do not use near a well or if drinking water is present. Do not directly to water or to areas where surface water is present or to other similar areas below the mean high water mark. Do not contaminate water when disposing of equipment, wash water or rinse. This chemical is not associated with chemical released in ground water. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow may result in groundwater contamination.
Order# 64316
Plate ID# 26362
Size: 2.5" x 3.5"
Colors: Reflex Blue, 347 Green
**Personal Protective Equipment (PPE)**: Applications and other handlers, including mixers and loaders, must wear long-sleeved shirt, long pants, shoes plus socks and chemical-resistant gloves. Mixers and loaders must also wear a chemical-resistant apron. Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables exists, use detergent and hot water. Keep and wash PPE separately from other laundry.

**User Safety Recommendations**

**Users should:**

- Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

Environmental Hazards: For terminal use, do not use near a well or where drinking water is stored. Do not apply directly to water or to areas where surface water is present or to intermittent areas below the mean high water mark. Do not contaminate water when disposing of equipment, wash water or rinsate. This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow may result in ground-water contamination.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage and disposal. Pesticide Storage: Store in a dry place. Avoid storage near food or feed products.

Pesticide Disposal: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Container Disposal: Nonrefillable container. Do not reuse or refill this container. Completely empty container by shaking and tapping the sides and bottom to loosen clinging particles. Empty residue into application site,ingle time with a small amount of water to induce mixing. Pour rinse into application site. If empty, place in trash or offer for recycling. If partially filled, call your local solid waste agency for disposal instructions.

EPA Reg. No 68464-1 • EPA Est. No 68464-OS-001
Manufactured by:
General Chemical Co. • P.O. Box 7626 Salem OR 97303 • 1.800.644.9574
APPLICATION METHOD FOR CONTAINERS WITH FUNNEL APPLICATOR HEAD

Application Method for square containers with funnel applicator head:

Residential: 4" sewer lines up to 100 ft, or 6" sewer lines up to 75 ft, utilize a 4 lbs container. 4 lbs. of RootX must be applied each through sewer lines. Do not apply 6 lbs. of RootX through toilet.

Unscrew lid from top of container. Take the mixing funnel applicator and put the wide threaded end into the opening where the lid was in the square container. Mix the funnel applicator and the mixing funnel, pour into the square container so that it fits tightly. Grasping the bottom of the square container and the narrow end of the mixing funnel applicator, gently seat the funnel into the square container several times. After the one-minute mixing process you may then take the cap off the narrow end of the mixing funnel applicator and pour the entire 4 lbs. of the dry product mixture through the mixing funnel applicator directly into a sewer cleanout (NOTE: Only 3 lbs. container of RootX should be applied into a toilet bowl to avoid from overflowing). When applying into a sewer cleanout, flush the toilet two times or up to 6 times for 1.0 gallon low flow toilets, or add 5-10 gallons of water into the cleaner to push the team completely through the sewer line. Resist water usage from four to six hours after application.

NOTICE: TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, MANUFACTURER WILL NOT BE LIABLE FOR ANY LOSS, INJURY OR DAMAGE AND TO THE EVENT CONSISTENT WITH APPLICABLE LAW, PURCHASER AND/OR USER OF THIS PRODUCT HEREBY WAIVE ANY STRICT LIABILITY. THERE ARE NO IMPLIED WARRANTIES, WHETHER OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE. MANUFACTURER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND THERE ARE NO OTHER IMPLIED WARRANTIES, EXCEPT AS SPECIFICALLY SET FORTH ON THE LABEL. MANUFACTURER'S OBLIGATION UNDER ANY CLAIM IS LIMITED TO REPLACEMENT OF ANY DEFECTIVE INGREDIENT OR PRODUCT TO THE EXTENT CONSISTENT WITH APPLICABLE LAW. MANUFACTURER WILL NOT BE LIABLE FOR ANY LOSS, INJURY OR DAMAGES TO PERSONS OR PROPERTY RESULTING FROM FALSE OR IMPROPER USE OF THE PRODUCT. NO WARRANTY IS MADE OR IMPLIED, EXPRESS OR CONCLUSIVE, DAMAGES OF ANY KIND SUSTAINED BY THE PURCHASER OR USE OF THIS PRODUCT TO THE EXTENT CONSISTENT WITH APPLICABLE LAW. PURCHASERS AND/OR USERS OF THIS PRODUCT HEREBY WAIVE ANY STRICT LIABILITY. THE MANUFACTURER AND/OR SELLER, SELLER AND MANUFACTURER ARE NOT LIABLE FOR ANY USE OF THIS PRODUCT NOT IN COMPLIANCE WITH THE DIRECTIONS ON THIS LABEL.

EPA 201107310

RoottX contains Dichlobenil which kills the roots and prevents new growth. Dichlobenil is readily absorbed on organic and inorganic colloids of silt and clay in pipe joints providing residual control of root regrowth by inhibiting the development of actively dividing meristem cells in root tips. New root growths formed outside the pipe joints are retarded or inhibited in growth when they come in contact with Dichlobenil inside the pipe. RootX will leave no contact with water. The team acts as a carrying agent, putting the active ingredient in contact with the tree roots above the floor.

Directions For Use:

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Read the following directions for use thoroughly before application.

NOT FOR USE IN SEPTIC SYSTEMS IN THE STATE OF FLORIDA

Kills Root In Sanitary and Storm Sewers Half Pounds or

Caution:

PRECAUTIONARY STATEMENTS

RECOMMENDED USES FOR ANIMALS AND ANIMALS

CAUTION

CAUTION

Food and Other Material Subject to Erosion

Pesticide (FDA) regulated small fish, including minnows, neon tetras, barbels, killifish, and oscar. This product was not tested for effect on aquatic animals.

NOTE TO PEGWICH

Underwater disposal of pesticide is necessary to prevent the development of pesticide resistant aquatic species.

PRODUCT INFORMATION

Pesticide(s) and other active ingredients, including names and roles, must be reported on a label. Long-term exposure may cause complications in development of pesticide resistant aquatic species. Follow the exposure limits in contact with aquatic plants. The pesticide is in contact with aquatic plants, fish, and water and wash plants and wash with water before planting. Use of this product should be limited to the time and place of use specified on the product label. Use at the lowest effective rate to prevent harm to aquatic animals. Use as directed on the label. Use this product as directed on the label. Use this product on a small fish, including minnows, neon tetras, barbels, killifish, and oscar. This product was not tested for effect on aquatic animals.

TOXICITY

Dichlorvos is toxic to a variety of aquatic organisms, including fish, invertebrates, and amphibians. It is also toxic to plants, including grasses, trees, shrubs, and weeds. It is not toxic to birds, reptiles, or mammals. Use of this product should be limited to the time and place of use specified on the product label. Use at the lowest effective rate to prevent harm to aquatic animals. Use this product as directed on the label. Use this product on a small fish, including minnows, neon tetras, barbels, killifish, and oscar. This product was not tested for effect on aquatic animals.
