ENVIRONMENTAL HAZARDS
Do not apply directly to trees, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinses. Do not contaminate ditches or water used for irrigation or domestic purposes. Do not apply when weather conditions favor drift from treated area. Do not use in a greenhouse.

User Safety Recommendations

Users should:
• Wash hands before eating, drinking, chewing gum, using tobacco or at the end of each workday or at any other time when they may have contaminated their hands.
• Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
• Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

IMPORTANT: Do not use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons as an end point of use. For spraying or other use, it may be necessary to handle this product in the absence of labeled PPE.

PERSONAL PROTECTIVE EQUIPMENT (PPE)
• Wipe off any spilled material on clothing or skin with soap and water or an approved decontamination agent.

FIRST AID

If on skin or clothing:
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for 15-20 minutes.
• If susceptible, call a poison control center or doctor for treatment advice.

If inhaled:
• Move person to fresh air.
• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

If swallowed:
• Do not induce vomiting unless told to do so by a poison control center or doctor.
• Do not induce vomiting by mouth to an unconscious person.

IN CASE OF CONTACT WITH EYES:
• Do not rub eye.
• Open the eye gently and carefully with water for 10-15 minutes.

If in eyes:
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a poison control center or doctor for treatment advice.

EMERGENCY INFORMATION

Have the product container or label with you when calling a poison control center, doctor, or treatment center. FOR THE FOLLOWING EMERGENCIES, PHONE 24 HOURS A DAY. FOR REPORTATION: CHEMTRAC...................................................... 1-800-424-9300

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Harmful if absorbed through skin or inhaled. Avoid breathing dust. Avoid contact with skin or clothing.

PERSONAL PROTECTIVE EQUIPMENT (PPE)
Some materials that are chemical-resistant to this product are made of any waterproof material. If you want more options, follow the instructions for category A on and WPA chemical-resistance category selection chart.

Mixers, loaders, applicators and other handlers must wear:
• Long-sleeved shirt and long pants
• Shoes and socks, and
• Chemical-resistant gloves

Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

DRY SPRAY TECHNIQUES

A variety of factors including weather conditions (e.g., wind directions, wind speed, temperature, relative humidity) and method of application (e.g., ground, aerial, airblast) can influence pesticide drift. The applicator and grower must use their best judgment and make appropriate adjustments when applying this product.

Wind speed restrictions:
Do not apply when wind speeds are greater than 10 mph at the application area.

Orchard Aerialists:
Sprays must be directed into the crop canopy.

Outward pointing nozzles should be turned off at row ends and when spraying outer rows. For ground based applications and aerial applications, use only medium or coarse spray droplets (or nozzles) according ASABE (S572) definition for standard nozzles.

Do not use amid-Thin® W fill the tank with water and then add amid-Thin® W with agitation running and keep under constant agitation during spray operations. To ensure proper mixing, allow a few minutes of agitation after material has been added to water before beginning spray operation.

Do not contaminate water, food or feed by storage or disposal. PESTICIDE STORAGE: Do not store near fertilizers, seeds, insecticides or fungicides.

STORAGE AND DISPOSAL

Do not use amid-Thin® W fill the tank with water and then add amid-Thin® W with agitation running and keep under constant agitation during spray operations. To ensure proper mixing, allow a few minutes of agitation after material has been added to water before beginning spray operation.

Do not contaminate water, food or feed by storage or disposal. PESTICIDE STORAGE: Do not store near fertilizers, seeds, insecticides or fungicides.

PESTICIDE DISPOSAL: Open dumping is prohibited. Wastes resulting from the use of this product must be disposed of accord-
