**ENFORCER WASP & YELLOW JACKET FOAM**

**DIRECTIONS FOR USE**
- It is a violation of Federal law to use this product in a manner inconsistent with its labeling. DO NOT USE IN OR AROUND ELECTRICAL EQUIPMENT DUE TO THE POSSIBILITIES OF SHOCK HAZARD.
- Fast acting • Protecting • Covering • Blanketing • Foam
- OUTDOORS
- SHAKE TWICE ONLY BEFORE USING. HOLD CAN UPRIGHT. APPLY IN SHORT BURSTS. DO NOT USE INSIDE THE HOME. DO NOT USE ON PLASTIC, FOAM, ASPHALT ROOFING SHINGLES, VINYL SIDING OR AUTO PAINT; DAMAGE MAY OCCUR.
- VINYL SIDING - PLEASE READ CAREFULLY: This product is a water based product. During spray application to vinyl, if inadvertent contact with vinyl siding occurs, rinse immediately with water.
- To Kill Wasps: Apply at dusk or early morning when insects are least active. Hold can upright. Point nozzle opening away from face. With wind at back, aim at nests in trees, bushes, under eaves, chimneys, cracks or crevices.
- To Kill Yellow Jackets: Yellow jackets make their nests in the ground, dead tree stumps, railroad ties, walls or similar structures. During daylight hours, watch them closely to determine location of nest entrance. Wait until dusk or early morning when insects are at rest. Empty entire can down hole from a close enough distance to direct 100% of spray into hole.
- To Kill Hornets: Unless you can clearly see the opening at the bottom of the hornets' nest, never use a hornet spray (on the nest) as hornets may escape and attack you. Hornets usually make their nests in trees, shrubs and under eaves. During daylight hours, determine location of nest entrance. Wait until dusk or early morning when insects are at rest. Direct foam spray into entrance hole. As hornets fall out continue spraying until no more are visible or the can is empty. Immediately leave area.

**STORAGE & DISPOSAL**
- Store in a cool, dry (preferably locked) storage area inaccessible to children and pets away from heat, open flame or other sources of ignition. Disposal: Do not incinerate or puncture it. Empty. Place in trash or other for recycling if available. If Punctured. Call your local solid waste agency or 1-800-Cleanup for disposal instructions.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**
- CAUTION: Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors. Avoid contact with eyes, skin or clothing. Thoroughly wash with soap and water after use. Do not contaminate food or feedstuffs. Do not use in commercial food processing, storage, preparation or serving areas. Cover exposed food. In the home, when used indoors, cover all food processing surfaces and utensils during treatment or thoroughly wash before use. Remove pets, birds and cover fish aquariums before spraying.

**FIRST AID**
- If Swallowed: Immediately call a poison control center or doctor for treatment advice. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give any liquid to person. Do not give anything by mouth to an unconscious person. If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice. If on Skin or Clothing: Take off contaminated clothing. Immediately rinse skin with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor or for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. Note to Physician: contains petroleum distillate. Vomiting may cause aspiration pneumonia.
