CAUTION

PRECAUCION

IN CASE OF A MEDICAL EMERGENCY INVOLVING THIS PRODUCT, CALL TOLL FREE, DAY OR NIGHT 1-800-306-6900.

AL USUARIO: Si usted no lee Inglés, no use este producto hasta que la etiqueta le haya sido explicada ampliamente.

(TO THE USER: If you cannot read English, do not use this product until the label has been fully explained to you).

FIRST AID

Organophosphate

IF SWALLOWED
- Call a poison control center or doctor immediately for treatment advice.
- Give plenty of water and a sip of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF INHALED
- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

IF ON SKIN OR ON CLOTHING
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for further treatment advice.

IF IN EYES
- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-306-6900 for emergency medical treatment information.

NOTE TO PHYSICIAN: This material is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

RESTRICTIONS
This product can not be formulated into end-use products that are formulated as a pressurized (i.e., aerosol) can.
Any UW end-use products formulated for use for aerial applications, other than those with directions for use in Wide Area Mosquito Adulticide applications, must be packaged in closed mixing and loading systems. All wettable powders (WP) formulations must be packaged in water soluble packaging. This product cannot be formulated into end-use products formulated as a dust with directions for use in residential settings.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage or disposal.

STORAGE: FYFANON TECHNICAL should be stored in the original unopened container in a secure, dry place. Do not contaminate with other pesticides or fertilizers. The product should never be heated above 55°C (131°F), and should not be stored for long periods of time at a temperature in excess of 20°C (77°F).

PESTICIDE DISPOSAL:
To avoid waste, empty all material into mix tank or manufacturing equipment according to label directions. Waste resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Nonrefillable containers equal to or less than 5 gallons: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. Triple rinse container promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container ¾ full with water and recap. Shake for 10 seconds. Pour rinse into manufacturing equipment or a mix tank or store rinse for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Nonrefillable containers greater than 5 gallons: Do not reuse or refill this container. Offer for recycling if available. Triple rinse as follows: Empty the remaining contents into the application equipment or a mix tank. Fill the container ¾ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinse into manufacturing equipment or a mix tank and store rinse for later use or disposal. Repeat this procedure two more times.

Only for formulation into an insecticide for the following use(s):

1. The following uses:

TERRESTIAL FOOD CROP:
Alfalfa, apples, avocado, barley, beans (dry and succulent), birdfoot trefoil, blueberry, bulb onions, cherry (sweet and tart), clover, cotton, cucumber, eggplant, endive, field corn, garlic, grain sorghum*, grapefruit, grapes, grass, green onions, kumquat, lettuce (head and leaf), leek, lemon, lapsedeca, lime, linape, oats, orange, pasture land, pepper, popcorn, range land, rice, saffron, squash, strawberry, sweet corn, tangerine, tomato, vetch, wheat, and white potato.

*When formulating FYFANON TECHNICAL, for use on beans and sorghum, the resultant crop foliage of beans (forage and straw/hay) and sorghum (stover/stover forage) cannot be used as livestock feed. In addition, livestock grazed is not permitted for the foliage of beans and sorghum treated with any formulation of FYFANON TECHNICAL.

TERRESTIAL NON-FOOD CROP:
Christmas tree plantations, ornamental herbaceous/nonflowering plants and ornamental and/or shade trees, ornamental wood shrubs and vines, pine seed orchards, and uncultivated non-agricultural areas/soil.

DOMESTIC AND NON-DOMESTIC OUTDOOR:
Garbage dumps, outdoor domestic dwellings, wide area and general outdoor treatment (for flying insects).

NONDOMESTIC INDOOR STORED COMMODITY TREATMENT:
Stored commodities (corn, barley, oats, rye, and wheat).

AQUATIC FOOD CROPS:
Rice, and wild rice.

AQUATIC NON-FOOD:
Intermittently flooded areas, irrigation systems, and sewage systems.

RESTRICTION: When formulating FYFANON TECHNICAL for use on these crops, the following statement applies:
"Broadcast use only over intermittently flooded area. Application may not be made around bodies of water where fish/shellfish are grown and/or commercially harvested."

(2) Uses for which USEPA has accepted the required data and/or citations of data that the formulator has submitted for registration; which are not prohibited and

(3) Uses for experimental purposes that are in compliance with USEPA requirements.

CHEMINOVA specifically disclaims any implied warranties of merchantability and fitness for a particular purpose in the case of any use of this product not listed in paragraph (1) above. No express or implied warranties, including warranties of merchantability or fitness for a particular purpose, apply in the case of any use not listed in paragraph (1) above, whether or not such use has been supported by data submitted by any other person, including any other registrant; and CHEMINOVA shall not be liable to any person for any damages, including any damage to crops, phytotoxicity, or lack of efficacy, in the case of any use of this product not listed in paragraph (1) above, nor is CHEMINOVA liable for any consequential damages resulting from such use.
