POOLTRINE® 60 kills algae and clears the water in your swimming pool without requiring pool closing and without foaming.

Compatible with bromine, chlorine, salt water, ozone and minerals.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

VISIBLE ALGAE GROWTH: 16 oz. of POOLTRINE 60 per 10,000 gallons of pool water.

INITIAL CLEAN WATER TREATMENT: 9 oz. of POOLTRINE 60 per 10,000 gallons of pool water.

MAINTENANCE: 3 oz. of POOLTRINE 60 per 10,000 gallons of pool water weekly.

Pools containing heavy algae growth should be cleaned prior to using POOLTRINE 60. 24 hours after treating visible algae growth, algae debris should be removed by standard cleaning procedures. Dilute POOLTRINE 60 with at least nine parts of water before applying. Pour required amount of POOLTRINE 60 into a plastic watering can and fill with water. Maintaining constant pool circulation, sprinkle solution around edge of pool.

IMPORTANT NOTE: Always apply chemicals separately. Never combine them.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes, or clothing.

FIRST AID

If in Eyes: Hold eyelids open and rinse slowly with water for 15 – 20 minutes. Remove contact lenses if present after 5 minutes then continue rinsing eye. Call poison control center or doctor for treatment advice.

If Swallowed: Call a poison control center immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information.
