**Cleaning and Disinfecting Against Bacteria**

Coverage Plus NPD® is effective against bacteria, yeasts, and molds.

**Suggested Procedures for Use**

- **Surface Preparation**: Ensure the surface to be disinfected is clean and dry.
- **Surface Disinfection**: Apply the solution to the surface and allow to remain in contact for the recommended dwell time. Abundant surface contact is needed for efficacy.

**Storage and Disposal**

- **Storage**: Store at room temperature in a secure, childproof container.
- **Disposal**: Dispose of used solution in accordance with local regulations.
