ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a Nationwide PCB Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Do not contain water, food or feed by storage or disposal. Pesticide Storage: Open dumping is prohibited. Store in original container in areas inaccessible to children. Pesticide Disposal: Pesticide wastes are acute hazardous, improper disposal of excess pesticide, spray mixture or residue is a violation of Federal Law. If these wastes cannot be disposed of by use according to label directions, they must be placed in a container approved by the local health or waste disposal authority. Storage, handling, and disposal of pesticides is the responsibility of the user. For information contact your State or Federal Agriculture Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. Container Disposal: Nonrefillable container. Do not reuse or refill this container. Clean container promptly after emptying. Plastic and Metal Containers: Triple rinse all containers before discarding by: Fill container 1/4 full with water and replace the container. Agitate vigorously and dispose of rinse water with pesticide disposal instructions. Repeat two more times. Then offer for recycling if available or contact your local or state authorities for further instructions. Tank cars, barges or other containers approved by the local authorities. Follow pesticide disposal instructions for rinses. If not triple rinsed, these containers are acute hazardous wastes and must be disposed in accordance with local, state, and federal regulations. For metal containers only: Do NOT cut or weld metal containers.
