KEEP OUT OF REACH OF CHILDREN
DANGER

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER! CORROSIVE. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin or clothing. Wear goggles or face shield, protective clothing and rubber gloves. May be fatal if inhaled or ingested. Do not breathe spray mist or aerosol. Wear a dust/mist filtering respirator (NIOSH approval number prets TC-242). Harmful if absorbed through the skin. Prolonged or frequently repeated skin contact may cause severe reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, or using tobacco. Remove contaminated clothing and wash before reuse.

FIRST AID
If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.

Heard the product container or label when squirting a poison control center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against asphyxial shock, respiratory depression, and convolution may be needed.

ENVIRONMENTAL HAZARDS
This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewage systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS
DO NOT USE OR STORE NEAR HEAT OR FLAME!

BARDAC is a LONZA trademark, is registered in the USA.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product is a concentrate for formulating purposes only. This product for formulation into antimicrobial products for use in/on Agricultural premises and equipment. Food Handling/Storage Establishment premises and equipment, Commercial, Institutional and Industrial premises and equipment, Residential premises, Medical Premises and equipment, industrial processes and water systems, Wood preservatives and Swimming Pools. Formulations using this product are responsible for providing data for the EPA registration of their formulated products. This product may be used to formulate products for specific uses(s) not listed on this label if the formulator or primary registrant has complied with U.S. EPA data requirements regarding the support of such uses.

NOTE: This product should not be used or compounded with any rusting or oxidizing agents (such as sodium hypochlorite, sodium perborate or nitric acid) since such mixtures may be explosive. Do not use in conjunction with soap or any antiseptic washing agent.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE
Open dumping is prohibited. Store in original container in areas inaccessible to children. Do not store on food.

PESTICIDE DISPOSAL
Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinse is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Pesticide Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL
Nonrefillable container. Do not reuse or refill this container. Clean container properly after emptying.

Triple-rinse as follows: Fill container 1/3 full with water and reclose the container. Agitate vigorously, and dispose of rinsewater consistent with pesticide disposal instructions. Repeat two more times. Then offer for recycling if available or puncture and dispose in sanitary landfill or by other procedures approved by state and local authorities. Follow pesticide disposal instructions for rinses. If not triple-rinsed, these containers are acute hazardous wastes and must be disposed in accordance with local, state, and federal regulations.
