Barquat™ 50-28

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, and continue rinsing. Call a poison control center or doctor for treatment advice.

IF INHALATION: Remove person to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Do not induce vomiting unless person is unconscious. Do not give anything by mouth to an unconscious person. Call a poison control center or doctor for treatment advice.

NOTE TO PHYSICIAN: Probable internal damage may indicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsions may be needed.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, ditches, sewers, ocean or other water sources in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewage systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product is for formulation into antimicrobial products for use in/on Agricultural premises and equipment, Food Handling/Storage establishments, premises and equipment, Commercial, institutional and industrial premises and equipment, Residued premises, Medical Premises and equipment, Industrial processes and water systems, Wood preservatives and Staining Pints.

Formulations using this product are responsible for providing data for the EPA registration of their formulated products. This product may be used to formulate products for specific uses not listed on this label if the formulator or primary registrant has complied with the EPA's data requirements regarding the support of such uses.

Do not use or store in conjunction with any reducing or sensitizing agents (such as sodium hypochlorite, solid perchloride, or other acid) since such mixtures may be explosive. Do not use in conjunction with acids or any reactive working agents.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. PESTICIDE STORAGE

Open dumping is prohibited. Store in original container in areas inaccessible to children. Do not store near food, feed or seed.

PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or waste is a violation of Federal Law. These wastes cannot be disposed of by use according to label instructions. Contact your State Pesticide or Environmental Control Agency, the Hazardous Waste representative of the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

Nonrefillable container. Do not reuse or refill this container. Clean container promptly after emptying. Triple rinse as follows: Fill container 1/4 full with water and replace the container. Agitate vigorously, and dispose of rinse water by following state and local regulations. Follow pesticide disposal instructions in this product. If not triple rinsed, these containers are acutely hazardous wastes and must be disposed of in accordance with local, state, and federal regulations.
