DIRECTIONS FOR USE
This product is extremely toxic to mammals, birds, and other wildlife. Dogs, cats and other predators and scavengers normally avoid eating rats and mice that have been eating food treated with this product. Do not apply to or near water bodies, wetland areas, or other riparian areas.

APPLICATION DIRECTIVES
Follow manufacturer's instructions for applying outdoor globes or deeply burrowing baits. Do not apply to an area that may come in contact with food or water sources. Apply only to areas where the application is not accessible to livestock or pets.

TREATMENT FOR PET POISONING
In cases of acute oral toxicity, follow the advice of a veterinarian immediately. Do not attempt to treat or medicate a pet yourself. Contact a veterinarian immediately. Do not use any home treatments or remedies.

NOT TO BE THERMOPHOBIC
This product is extremely toxic to mammals, birds, and other wildlife. Dogs, cats and other predators and scavengers normally avoid eating rats and mice that have been eating food treated with this product. Do not apply to or near water bodies, wetland areas, or other riparian areas.

ENVIRONMENTAL HAZARD
