DPR REG. NO. 12452-30023-40 STE. NO. 1365-96-1
Motomco
The World Leader in Rodent Control Technology
DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
READ THE LABEL: Read this entire label and follow all use directions and precautionary statements. Use only for the sites and pests and application methods described on the label.
IMPORTANT: Do not expose children, pets, or plants to the product, and do not eat the product. Use only in an enclosed space.
WARNING: This product is toxic if swallowed. Avoid contact with skin and eyes. Wash thoroughly with soap and water after handling. When using, wear a mask.
ENVIROMENTAL HAZARDS: This product is toxic to fish, reptiles, and other wildlife. Do not apply around fish ponds, animal dens, or any other water bodies. Do not apply where children or pets may have access to the treated area.
STORAGE AND DISPOSAL: Do not reuse or repack this container. Store in a cool, dry place inaccessible to children and pets. Disposal of this product must be in accordance with all applicable state and federal regulations. Do not dispose of this container in a landfill. Store the product in a cool, dry place.
WARNING: This product contains a potent toxic chemical. Do not apply to areas where children, pets, or wildlife may have access to the treated area. Use only in enclosed spaces. Wash thoroughly with soap and water after handling.
APPLICATION DIRECTIONS:
For indoor use: Apply 1 oz. of product per 100 sq. ft. of treatment area. Mix with food or liquid attractants. Use sparingly to avoid over application. Do not apply to areas where children, pets, or wildlife may have access to the treated area.
For outdoor use: Apply 1 oz. of product per 500 sq. ft. of treatment area. Mix with food or liquid attractants. Use sparingly to avoid over application. Do not apply to areas where children, pets, or wildlife may have access to the treated area.
APPLICATION PROCEDURES:
1. Choose an area that is accessible to the target pest. Apply the product directly to the target pest. Use caution when applying to areas where children, pets, or wildlife may have access to the treated area.
2. Avoid applying to areas where children, pets, or wildlife may have access to the treated area. Use only in enclosed spaces. Wash thoroughly with soap and water after handling. When using, wear a mask.
3. Dispose of used containers in accordance with all applicable state and federal regulations. Do not dispose of this container in a landfill. Store the product in a cool, dry place.
