**IN CASE OF CONTACT**

1. Remove splash-contaminated clothing. If feasible, remove guilt by washing with soap and water. If not, proceed as follows:

   - In eyes: Wash out with water for 15 minutes, remove contact lenses, if worn.
   - In skin: Wash with soap and water. If necessary, get medical treatment.

2. If swallowed: Do NOT induce vomiting. Give 2-3 glasses of water. If nausea persists, seek medical advice.

3. If inhaled: Move to fresh air. If breathing is difficult, give oxygen. If not breathing, begin CPR. Do NOT give mouth-to-mouth resuscitation. Seek immediate medical attention.

4. In event of fire: Use CO2 or dry chemical fire extinguisher. Do NOT use water.

**STORAGE AND DISPOSAL**

- Properly store the contents in a cool, dry place away from direct sunlight. Keep out of reach of children and pets.
- Disposal should be handled by a licensed hazardous waste handler.

**INFORMATION FOR USERS**

- This product is labeled in accordance with Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and the U.S. Consumer Product Safety Commission (CPSC) labeling rules.
- Keep the product in its original container and store it out of reach of children and pets.

**COMPONENTS**
