**AD WET 90**

Non-ionic Surfactant and Antifoaming Agent

**Principal Functioning Agents:**
Alkylphenol Ethoxylate, Propylene Glycol, Tall Oil Fatty Acids ........................................ 90%
Constituents ineffective as a spray adjuvant .................. 10%

All ingredients are exempt from the requirement of a tolerance under 40 CFR 180.
WA Reg. No. 7001-03002.

---

**WARNING**

**KEEP OUT OF REACH OF CHILDREN**

**PRECAUTIONARY STATEMENTS:** Causes substantial but temporary eye injury. Harmful if inhaled.
Avoid breathing spray mist. Do not get in eyes or on clothing. Wear protective eyewear (goggles or face shield) when mixing or handling product. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

SEE INSIDE PANEL FOR USE DIRECTIONS, FIRST AID AND STORAGE AND DISPOSAL INFORMATION.

AD-WET 90

DIRECTIONS FOR USE

AD-WET 90 is intended for use with pesticides that are labeled for agricultural and non-agricultural uses. AD-WET 90 cannot be used for aquatic applications. Some pesticide labels recommend a higher or lower surfactant use rate for optimum efficacy. Follow the pesticide label directions when this occurs.

DOSAGE PER 100 GALLONS OF SPRAY MIX:

- Herbicides ............... 1 to 3 pints
- Defoliants and Desiccants .... 1 to 2 pints
- Wettable Powders ............. 1 to 2 pints
- Insecticides ............. 3 to 8 ounces
- Fungicides ............. 3 to 8 ounces
- Acaricides ............. 3 to 8 ounces

For use with Monsanto glyphosate herbicides refer to the herbicide label for recommended surfactant rates. Do not add this product at a rate which exceeds 5% of the finished spray volume. For wettable powders, water soluble materials and emulsifiable products add AD-WET 90 in water after a good mixture is formed.

AD-WET 90 can be used with most insecticides, fungicides, herbicides, defoliants and desiccants to improve the performance of the active spray ingredients by giving more uniform distribution and better wetting of the plant surface.

AD-WET 90 is a broad-spectrum adjuvant specifically designed for optimum activity enhancement when used with a wide range of pesticides and solvents such as water, aromatics, alcohol and aliphatics.

FIRST AID

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store above 32°F. Store away from heat or open flame and oxidizing materials.

DISPOSAL: Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.
DISCLAIMER OF WARRANTIES: Seller warrants that the chemical composition of this product conforms to the chemical description given on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation are beyond the control of seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at buyer's option, as full discharge of seller's liability. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon seller.

Principal Functioning Agents:
Alkylphenol Ethoxylate, Diethylene Glycol, Tall Oil Fatty Acids ........................................... 90%
Constituents ineffective as a spray adjuvant ............................................................... 10%
All ingredients are exempt from the requirement of a tolerance under 40 CFR 180.
WA Reg. No. 7001-03002.

WARNING
KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS: Causes substantial but temporary eye injury. Harmful if inhaled. Avoid breathing spray mist. Do not get in eyes or on clothing. Wear protective eyewear (goggles or face shield) when mixing or handling product. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.
