APPLICATION DIRECTIONS (Continued from other panel)

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals:

CAUTION: Harmful if Swallowed. Keep out of reach of children and pets. Do not use on or near any fish-bearing water or food. See back panel for First Aid and additional precautionary statements.

First Aid

HAY LABEL WITH YOU WHEN OBTAINING TREATMENT ADVICE

If Inhaled: Get fresh air. Remove to a place where you can breathe normally.

If swallowed: Drink plenty of water or milk. Do not induce vomiting without medical advice.

If skin or eye contact occurs: Wash the affected area with plenty of water. Seek medical advice. If inhaled: Remove from the source of the material.

If headache or dizziness occurs: See a doctor.

NOTE TO PHYSICIAN

3. Swallowed, this material may cause a temporary reduction in the heart rate and may cause death. If a person is not breathing, give artificial respiration. Reassess at regular intervals.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to mammals and birds in other wildlife. Cope, caddis, and other predatory and scavenging mammals and birds might be poisoned if they feed upon or inhale its vapor or soil. Care must be taken to prevent water contamination. This material is not biodegradable.

WARRANTY: To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than that indicated on the label. Buyer assumes all risk of use and handling of this material when such use and handling are contrary to label instructions.
