**KEEP OUT OF REACH OF CHILDREN**

**MANTENÉN FUERA DEL ALCANCE DE LOS NIÑOS**

**PELIGRO**

**PRECAUTIONARY STATEMENT**

**HAZARD TO HUMANS AND DOMESTIC ANIMALS**

**DANGER, Corrosive:** Causes severe injury or death. Avoid skin contact with this material. Do not breathe spray or fumes. Wash thoroughly all exposed skin after handling. Avoid ingestion of food, drink, or water while handling material.

**Physical and Chemical Hazards:** Contact with aqueous, caustic, or basic materials may produce harmful gas. Gas may be explosive under certain circumstances.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish and aquatic organisms. Do not allow to enter drains, sewers, or bodies of water. Do not use where water is the source of aquatic life or any aquatic organism. Do not apply directly to bodies of water or the ground. Do not allow runoff from application to enter any surface waters. Do not apply to fish-bearing streams. Do not allow this product to enter surface waters.

**STORAGE AND DISPOSAL**

**PESTICIDE STORAGE:** Keep container closed when not in use. Do not store below 4°F or above 140°F.

**PESTICIDE DISPOSAL:** Do not contaminate water, food, or feed by accidental release. Do not contaminate water supply, waterways, or water-quality-related lands (e.g., marshes, wetlands, lakes, ponds, and other bodies of water). Use approved methods for disposing of this product. Follow all federal and state regulations for disposal of pesticidal residues. Contact your local regulatory or environmental protection agency or the Health Physics/Science representative for the location of the nearest fish kills or regional office for guidance.

**SPILL DISPOSAL:** Spilled materials on concrete or asphalt surfaces can be rinsed with water. Do not dispose of spill in sewers or storm drains. Do not contaminate water, food, or feed by accidental release. Do not apply to fish-bearing streams. Do not allow this product to enter surface waters. Do not contaminate water supplies, rivers, ponds, or other bodies of water with this product.

**FIRE AND EXTINGUISHMENT:** Use water or foam. Do not use water directly on the fire. Do not use high-pressure water on this material.

**FIRST AID**

**IF IN EYES:** Rinse with water immediately and keep rinsing until you start to feel better. (Use water or saline solution if available.) If no water is available, use milk. Do not rub eye. Apply cold, wet cloth. If eye irritation persists, call a Poison Control Center or doctor for treatment advice.

**IF ON SKIN:** Rinse with water immediately and keep rinsing until you start to feel better. (Use water or saline solution if available.) If no water is available, use milk. Do not rub eye. Apply cold, wet cloth. If eye irritation persists, call a Poison Control Center or doctor for treatment advice.

**IF SWALLOWED:** Do not induce vomiting. Call a Poison Control Center or doctor for treatment advice. If swallowed, immediately call a Poison Control Center or doctor for treatment advice. Keep away from fire. Do not mix with or pour into drains. Do not pour into water for 12 hours afterward. Do not mix water for 12 hours afterward. (Use water or saline solution if available.) If no water is available, use milk. Do not rub eye. Apply cold, wet cloth. If eye irritation persists, call a Poison Control Center or doctor for treatment advice.

**IF INHALED:** Remove person from exposure area and take steps to prevent re-exposure. If breathing is difficult, call a Poison Control Center or doctor for treatment advice. If exposure occurs in a large area, follow the guidelines for inhalation. (Use water or saline solution if available.) If no water is available, use milk. Do not rub eye. Apply cold, wet cloth. If eye irritation persists, call a Poison Control Center or doctor for treatment advice.

**HAZARDOUS INGREDIENTS:**

- **Active Ingredient:** 85% NaOH

- **Other Ingredients:** Water

- **Trade Name:** Lo-Foam Concentrate

- **EPA Reg. No.:** 9554-14

- **EPA Code No.:** 9554-14

- **Chemical Name:** Sodium Hydroxide

- **Initials:** C.T.B.

- **First letter of the number indicates establishment.**

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**

**CORROSIVE**

See instructions for additional precautions.

**CHEM-TREC EMERGENCY #**
