PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION - PRECAUTION

Harmful if swallowed. Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling.

PERSONAL PROTECTIVE EQUIPMENT (PPE)
Suggestive materials that are chemical-resistant to this product are listed below. If you want more options, follow the instructions for Category A on an EPA chemical-resistance category chart.

- Long-sleeved shirt and long pants
- Closed toe shoes and
- Chemical-resistant gloves made of any waterproof material such as polyethylene or polyvinylchloride.

- In addition, applicators using tractor-drawn spreaders and all handlers must wear a NIOSH-approved half-mask respirator equipped with N, R, or P face; protective eyewear, and the appropriate number of preps (634-3000).

- It is recommended that you leave the respirator filters be fitted, tested, and trained in the proper use, care, cleaning, inspection, and storage of the respirator.

- Follow manufacturer's instructions for cleaning and maintaining filters. If no such instructions for washable use exist, use dry cleaning and keep wash PPE separately from other laundry.

USER SAFETY RECOMMENDATIONS:

- Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

- Remove clothing/PE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

- Do not wash clothing/PE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and finish cleaning clothing.

- Do not wash clothing/PE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

- If swallowed:
  - Call a poison control center or doctor for treatment advice.

- If in eyes:
  - Hold eye open and rinse slowly and gently with water for 15 to 20 minutes.
  - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
  - Call a poison control center or doctor for treatment advice.

- If inhaled:
  - Remove to fresh air.
