One can treat a room up to 24"x20' with an 8' ceiling (3,840 cubic feet of unobstructed space.) For best results, treat pet with an appropriate flea control product before returning the pet to the treated area.

**SHAKE WELL BEFORE USE.**

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Does not control bed bugs.

**TO USE THIS PRODUCT CORRECTLY**

1. **BEFORE YOU FOG**
   - Open cabinets, cupboards, drawers, closets and doors in areas to be treated. REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. REMOVE pets and birds, cover and turn off fish aquariums before spraying. Turn off air flow systems in aquariums.

2. **TO START FOGGING**
   - COVER waxed wood floors, waxed furniture and stereo or other plastic dust covers in the immediate area surrounding the fogger (newspapers may be used).
   - Place a chair, table or stand in the center of the room to be fogged. Cover with several layers of newspaper or paper towels.
   - SHAKE CAN WELL. Break off and remove tab on side of sprayer. Lift sprayer away from face. Press down firmly on sprayer pad until it snaps into place. Set fogger on covered stand.
   - Vacate the treated house, individual apartment unit, or other structure immediately.

3. **AIRDING OUT**
   - Fill out and place hang tag on the door to the treated area to alert family and others with access to the treated area not to enter for two hours.
   - Do not re-enter for two (2) hours. Keep treated area closed and do not re-enter for at least two hours.

DO NOT ENTER

UNTIL _______ (time) ON _______ (date)

UNTIL _______ (time) ON _______ (date)

**DOOR HANGER INSTRUCTIONS:** Fill out and place hanger on the door to the treated area to alert family and others with access to the treated area not to enter for at least two hours following the treatment.
One 5 oz can treats 3,840 cubic feet of unobstructed space (a room up to 24'x20' with an 8' ceiling).
For best results, treat pet with an appropriate flea control product before returning the pet to the treated area.

**DIRECTIONS FOR USE**
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**Does not control bed bugs.**

To Use This Product Correctly:
Turn off all lights and pilot lights. Call your gas utility or management company if you need assistance with your pilot lights. Do not use fogger in small confined areas, such as closets, cabinets or under counters or tables. Do not use in a room 5 ft x 5 ft or smaller, instead allow fog to enter from other rooms. Do not use more than one fogger per room. Use of a fogger in an enclosed space (or use of more than one fogger in a room) may cause the product to explode, resulting in injury to people or damage to property.

**CLOSE** outside doors and windows. SHUT OFF fans and air conditioners.

**Before You Fog:**
Open cabinets, cupboards, drawers, closets and doors in areas to be treated. REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. REMOVE pets and birds, cover and turn off fish aquariums before spraying. Turn off air flow systems in aquariums. COVER waxed wood floors, waxed furniture and stereo or other plastic in the immediate area surrounding the fogger (newspapers may be used). Place a chair, table or stand in the center of the room to be fogged. Cover with several layers of newspaper or paper towels.

**To Start Fogging:**
SHAKE CAN WELL. Break off and remove tab on side of sprayer. Tilt sprayer away from face (container sprays straight up). Press down firmly on sprayer pad until it snaps into place. Set fogger on covered stand. Vacate the treated house, individual apartment unit, or other structure immediately. Fill out and place the hang tag on the door to the treated area to alert family and others with access to the treated area not to enter for 2 hours.

Do Not Re-enter for 2 hours. Airing Out:
Keep treated area closed and do not re-enter for at least two hours. Before reoccupying area, open all door and windows and allow treated area to air for 30 minutes. Treated surfaces may be slippery when wet.

**STORAGE AND DISPOSAL**
STORAGE: Store in a cool, dry place away from heat or open flame. DISPOSAL: Do not puncture or incinerate! If empty: Place in trash or offer for recycling, if available. If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions.

**PRECAUTIONARY STATEMENTS**
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Harmful if inhaled or absorbed through the skin. Breathing spray mist may be harmful. Avoid breathing vapors. Avoid contact with skin or clothing. Wash thoroughly after handling. Apply only when no food is being prepared.

**FIRST AID**
Call a poison control center or doctor for treatment advice. IF ON SKIN OR CLOTHING: Take off contaminated clothing, Rinse skin immediately with plenty of water for 15-20 minutes. IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Have the product container with you when calling a poison control center or doctor, or going for treatment.

**PHYSICAL OR CHEMICAL HAZARDS**
Contents under pressure. Do not use or store near heat, sparks, or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. This product contains a HIGHLY FLAMMABLE INGREDIENT. It may cause fire or explosion if not used properly. Follow the "DIRECTIONS FOR USE" on this label very carefully.
